Ten Good Reasons To Be A Catholic:

I Like Being Catholic Michael Leach, Therese J. Borchard, 2007-12-18 A celebration of the treasured traditions rituals and stories that run through the bloodstream of American Catholics For Andrew Greeley it is the reverence of Christmas night and the exultation of Easter morn Martin Scorsese like many others remains grateful for the nuns who rapped his knuckles but built his self esteem Mary Gordon recalls the sense of lightness that follows confession Vince Lombardi the strength he derived from Mass and Christopher Buckley the role St Thomas More plays in his writing I Like Being Catholic brings together the memories thought and hopes of famous Catholics and ordinary parishioners lapsed and good enough Catholics and those who have devoted their lives to the faith It captures their abiding ties to and deep affection for the Church and offers the wide ranging sometimes surprising views on the good things that come with being Catholic This is not a book of theology It is about the beauty at the heart of Catholicism It is about what Teilhard de Chardin called the chosen part of things It is about family and community the value of Catholic education the significance of sacraments and milestones and the cultural impact of Catholicism there are lists of the ten best Catholic novels the ten best Catholic movies ten Catholic heroes of the twentieth century ten good reasons to raise your kids Catholic fifty things Catholics like best about being Catholic and much more I Like Being Catholic is a book for all those who have ever called themselves Catholic It is a book of warmth affection humor and love

Rise Catholic Women Sarah Harding, 2014-10-22 Women hold the key for the solution to success in our Roman Catholic Church This key has been hidden Rise Catholic Women will not only tell you why but how women can unlock the secrets that have been hidden from them and expose the unnecessary control of men in decision making in the church This informative book provides mostly unknown facts about the reasons priests are not allowed to marry It answers questions that our pastors have been encouraged not to discuss Sarah Harding shows us that even though statistics show the Catholic church is doing well in the United States the influx of the Latino communities in our Church has covered up the fact that the non Latino Catholic population has diminished The shortage of priests has affected the salvation of souls to a large degree Women need to rise and face the challenge to be heard We need all our priests not just those who have courageously endured celibacy but the other one third who have left the Church to marry There are twenty thousand priests in the United States alone who have left the Church to marry These priests could be called back to shepherd our churches You hold the key to unlock the door for them to help save our Roman Catholic Church in America Note from the author I am extremely grateful for the professional help given to me by my daughter and granddaughter Mary Alice Loucks and Nicole McMahon

Enough of Us Cheryl Levinson, Ellis Levinson, 2013-02 Couples without children continue to be viewed as strange and too often they re only just tolerated But Cheryl and Ellis Levinson a married couple who have lived childfree for twenty eight years don t just defend those who refrain from having children they celebrate them They also argue that society doesn t treat childfree couples fairly and that many couples with children are putting the world at risk

Overpopulation poses real dangers including an increased threat of climate change accelerated animal and plant extinctions and the wholesale destruction of rainforests and other habitats The Levinsons explore the increasingly common choice to remain childfree and challenge the ethics of those who choose to procreate They consider a host of issues including liabilities facing children motivations to have children financial implications lack of parental preparation nature versus nurture and world sustainability Despite the dangers of overpopulation many people continue to have children without thinking through the consequences It s time to take a larger view and consider whether or not there are Enough of Us

Catholic Versus Christian Vladimir Slackoff,2024-08-09 Jesus said Before MY return many FALSE PROPHETS shall arise and shall DECEIVE MANY With so many different religions to choose from they can t all be true or correct Some must be false This fact proves that Christ s warning is true Let no preacher deceive you A good sermon based on God s Word includes scriptures from the Bible with chapter and verses After hearing a sermon you should check to see if the verses were used out of context If you don t you are actually betting that what you heard is true But maybe it isn t Maybe he or she doesn t really know what the truth is False prophets always use scripture out of context to promote their own version of their religion They twist the meaning of each verse so they can imply their own meaning and deceive believers Have you ever been lied to How did you feel after you found out Have you ever lost a bet How about a sports bet How about a bet between you and the devil Don t bet your soul on maybes Check with the Bible before accepting any sermon as true People are too busy to spend hours searching the Bible to find verses of scripture so they can check to see if the scriptures in the sermon were used correctly This book was designed to enable you to locate any chapter and verse quickly so you can check to see if the verses were used correctly or if they were twisted out of context If you use this book you won t need to research for hours or days It will only take minutes to locate many of the most important subjects Holy Scripture does affirm which version of the Bible is the most accurate When can believers expect the Rapture to occur Should believers expect Christ to tarry Will the trodden down of Jerusalem actually be the beginning of the last seven years Did Jesus really offer an escape to believers from the tribulation What does the Bible say about global warming Is carbon dioxide really the cause Will the Jews be at risk of being murdered as they look for their Messiah What did Jesus say about bigfoot hybrids and aliens Why does God allow wars How do you win the battle over your inner voices Why doesn t God answer certain prayers Why does God allow natural disasters to cause so much suffering and pain death and destruction The Bible does tell us when to expect Christ s return How valuable are the Dead Sea Scrolls Does the curse of the second commandment affect you Make sure you spend eternity in heaven with God the Father and his Son Jesus Christ
