**Ten Poems to Change Your Life Again and Again** Roger Housden, 2010-04-21 Every great poem invites us to step beyond what we know what we think we can dream or dare Great poetry is a catalyst for change a change of mind a change of heart a change of life and yes over and over again and again with each new reading and each new phase of our journey That's why poetry is dangerous It gives voice to our unspoken dreams it is a mirror to our own deepest joys desires and sorrows It can tip us over into a new life into a new way of seeing and being that a moment ago we might even have had no words for In this new volume of his **Ten Poems** series Roger Housden takes ten great poems and in personal intimate essays shows how they led him and can also lead us into a more deeply lived and examined life Housden says Every one of the poems in this book has struck me a blow a direct hit each of them into the heart of hearts Every one of them in its own way has opened a door for me to go deeper into my own experience my own longings my own sorrows and joys and into the silence that surrounds all of this all of us always
