## **Tender Fingerprints:**

Your Faith and the World Today Brad Stetson,2025-12-05 When working as a prison chaplain in the 1980s and 1990s Stetson would tell the men that their Christian faith was a 24/7 calling. It was a full time commitment that was meant to shape their lives all day every day. When working as a professor at Christian colleges in the 1990s and 2000s he told his students the same thing their faith was for every area of life and living not just Sundays or chapel services. Both groups uneasily wondered if their faith could pervade every behavioral and intellectual dimension of their life. Perhaps influences in their lives or their own experiences suggested to them that it couldn't but when Stetson stressed to them that their faith equipped them with the strength and insight they would need for all of life every season every experience every endeavor they took heart they were encouraged and they were strengthened. This compelling eclectic book will have the same effect on all readers irrespective of their stage in the Christian life. Part devotional part apologetic part exhortation and part social criticism this readable work urges readers to fully take hold of a rigorous Christian worldview in every topic it so thoughtfully engages.

**Tender's Cats** L.A. Lockhart,2025-05-09 When the widow Miriam Wheatley finds her dream home nestled in the woodland outskirts of the quaint town of Belliford Virginia all she wants is to buy the property as quickly as possible. The ghosts of her deceased husband's life as an FBI agent have haunted her long enough. She's ready to settle down somewhere quiet and the property's neglected gardens and feral kittens offer her the perfect peaceful project to dedicate her retirement to. But as she wanders the property on her own her dreams of paws and petals are shattered by the peal of a rifle. Who fired the shot? Was it just an honest hunter as her real estate agent insists? Or was someone trying to scare her away? What is really hiding in the locked cellar and shed of the Sherwood estate? The wisest thing would be for Miriam to leave Belliford and its secrets behind. Clearly this quiet town is not what it appears to be and any timid gentle lady would not be able to unearth its secrets unscathed. Thankfully Miriam is not what she appears to be either. Beneath her soft smile she is a survivor with the persistence, courage and compassion to see her through any adversity. Miriam will not let herself be scared away. She has found what she wants and no amount of fear or trickery will keep her from it. So begins Miriam's journey through the dark currents of thievery, fraud, murder and betrayal that lurk beneath the Sherwood estate. Yet as she discovers treasures in the dark will Miriam be able to resist her own voice of greed within? Or will she simply be the latest caretaker to fall victim to the estate's suffocating weeds of deadly desire?    **Fingerprint Mechanics** Walter R.
