UP CLOSE I have been a contractor most of my adult life This is actually a second career for me Hopefully you have enjoyed many of my lyrics in this book Some words I spelled wrong on purpose I guess you know that by now I did so the end of the word would have the effect I wanted many lyricists do that If by chance there are others then shame on me and my spell check Grammar never was my best subject I m married with six children and nine grandchildren Working in any form has been my many hobbies This is my first edition of Your Own Song to Sing I will be doing additional editions probably one a year for the next four or five years Without writing any new material I have enough to fill that many books and yes I m still writing Again I surely hope to see some of you that use my lyrics if not on center stage when the awards come around

We Survive Rudy Rosenberg,2008-04-23 We have passed through the eye of the needle my father was fond of saying And indeed we had Now after four years and four months of German occupation we had survived Neither morality nor faith had anything to do with our survival but survive we did Money sex and luck all had a hand in it Germany the most powerful nation in Europe had decreed that all Jews were to be exterminated not only the adults but especially the children Once the children had been murdered the Jewish Question would have been resolved once and for all The Allied armies had finally swept through Belgium and liberated us after we had spent twenty seven months in hiding Our parents Hilaire and Frieda Rosenberg went about trying to resume some semblance of family life my sister Ruth and I would be going back to school after nearly three years of interrupted studies It would take years for me to fathom the enormity of what we had been through to understand why we did survive Our parents were gamblers and people they knew through the Casinos hid us Hilaire made large amounts of money in black market dealings with the Germans so we could pay for the cupidity of those who would hide us Frieda had an affair with an SS officer who warned us when we had to go into hiding After attending the 1991 Conference of Hidden Children in New York City I knew that this unusual story of survival had to be written Thus began a journey to a second liberation an understanding that although they had been less than perfect parents Hilaire and Frieda did all they humanly could do to ensure the survival of this nucleus of our family Congressional Record United States.
