

Tennis Rebel

Kevin Jefferys

Tennis Rebel:

British Tennis Kevin Jefferys, 2019-05-15 Britain's tennis players are often regarded as gallant losers and also rans. There was a painful 76 year gap between the grand slam triumphs of Fred Perry and Andy Murray and most Brits perennially fail to progress beyond the early rounds at Wimbledon. But in this first detailed account of Britain's place in world tennis from the Victorian period to the present day, historian Kevin Jefferys shows that British players have a surprisingly strong record. He traces the fluctuations in the nation's tennis fortunes with barren spells counterbalanced by periods of ascendancy and looks beyond the domestic obsession with Wimbledon to highlight British successes at other grand slam tournaments in the Davis Cup and in Olympic tennis. The author also focuses on key individuals, providing fresh profiles of his selection of the best British players of all time: the men and women who have delivered most on the international stage from the time of the Renshaw brothers in the 1880s to Andy and Jamie Murray today. A The United States Tennis Association Warren F. Kimball, 2017-12-01 The United States Tennis Association is an in-depth look at the history of the United States Tennis Association (USTA) and how this sports organization has helped cultivate and organize tennis in the United States over the past 135 years. Starting as a group of elite white men from country clubs in the Northeast, the organization has become the largest tennis association in the world, with women in top leadership positions and an annual revenue of well over 300 million. The USTA was key in establishing the Open Era in tennis in 1968 when professionals began competing with amateurs in Grand Slam events for expanding the game in the United States during the 1970s tennis boom and for establishing the U.S. Open as one of the most prestigious and largest attended sports events in the world. Unique among sports governing bodies, the USTA is a mostly volunteer-run organization that, along with a paid professional staff, manages and governs tennis at the local level across the United States and owns and operates the U.S. Open. The association participates directly in the International Tennis Federation, manages U.S. participation in international tennis competitions (Fed Cup and Davis Cup) and interacts with professional tennis within the United States. The story of how tennis is managed by the nation's largest cadre of volunteers in any sport is one of sports' best untold stories. With access to the private records of the USTA, Warren F. Kimball tells an engaging and rich history of how tennis has been managed and governed in the United States. Routledge Handbook of Tennis Robert Lake, 2019-02-05 Tennis is one of the world's most popular sports, as levels of participation and spectatorship demonstrate. Moreover, tennis has always been one of the world's most significant sports, expressing crucial fractures of social class, gender, sexuality, race, and ethnicity, both on and off court. This is the first book to undertake a survey of the historical and socio-cultural sweep of tennis, exploring key themes from governance, development, and social inclusion to national identity and the role of the media. It is presented in three parts: historical developments, culture and representations, and politics and social issues, and features contributions by leading tennis scholars from North America, Europe, Asia, and Australia. The most authoritative book published to date on the history, culture, and politics of tennis, this is

an essential reference for any course or program examining the history sociology politics or culture of sport **Beyond SW19** Kevin Jefferys, 2021-05-24 Wimbledon has long stood at the pinnacle of British and world tennis But as Kevin Jefferys shows in this ground breaking new study Britain has a rich history of international standard play beyond SW19 in top level tournaments and Davis Cup competitions at iconic venues such as Queen s Club Eastbourne and Edgbaston The book traces the fluctuating fortunes of a dozen or so tournaments that have brought the world s finest players to English shores during the 140 year history of lawn tennis Taking a tour around different regions of the country the author sheds fresh light on the best known events and on largely forgotten but once high profile tournaments held in Bristol Torquay and Scarborough Both a record and a celebration of England s tennis heritage the book is packed with stories about memorable players and matches full results for singles finals and anecdotes about quirky or controversial incidents ranging from the courtside fire that halted a tournament final to the anti apartheid protests that disrupted a Davis Cup tie A Guide to the Literature of Tennis Angela Lumpkin, 1985-11-19 This comprehensive guide covering the entire spectrum of tennis subjects lists and evaluates more than 950 English language books and over 150 tennis films and videotapes Among the subjects treated are rules and techniques of play histories of the game biographies and autobiographies of champion players psychological approaches to improving one s game advice on matters of fitness physical conditioning and rehabilitation of tennis related injuries the construction and maintenance of tennis courts tennis in schools and recreational settings the administration of tournaments tennis equipment the traveling tennis player tennis humor and tennis films and videotapes *The Guardian Index* , 2003 The Highlow Report , 1979 **Total Tennis Training** Chuck Kriese, 1988 Realizing your physical mental emotional potential *Great Women in Sports* Anne Janette Johnson, 1996 Profiles noteworthy women in sports from archery to waterskiing including both individuals and groups discusses their education the highlights of their careers records and awards and describes the difficulties they faced and the triumphs they won **Tennis Rebel.
