

Tense-Aspect Combinations

	Simple (complete, no change)	Perfect <i>have + -en</i> (prior)	Progressive <i>be + -ing</i> (incomplete)	Perfect Progressive <i>have + -en</i> <i>be + -ing</i>
Present	drive/drives	have/has driven	am/is/are driving	has/have been driving
Past	drove	had driven	was/were driving	had been driving
Future	will drive	will drive	will be driving	will have been driving

Tense And Aspect

Joan L. Bybee

Tense And Aspect:

The Oxford Handbook of Tense and Aspect Robert I. Binnick, 2012-06-14 This Handbook is a comprehensive authoritative and accessible guide to the topics and theories that current form the front line of research into tense aspect and related areas

The Evolution of Grammar Joan Bybee, Revere Perkins, William Pagliuca, 1994-11-15 Joan Bybee and her colleagues present a new theory of the evolution of grammar that links structure and meaning in a way that directly challenges most contemporary versions of generative grammar This study focuses on the use and meaning of grammatical markers of tense aspect and modality and identifies a universal set of grammatical categories The authors demonstrate that the semantic content of these categories evolves gradually and that this process of evolution is strikingly similar across unrelated languages Through a survey of seventy six languages in twenty five different phyla the authors show that the same paths of change occur universally and that movement along these paths is in one direction only This analysis reveals that lexical substance evolves into grammatical substance through various mechanisms of change such as metaphorical extension and the conventionalization of implicature Grammaticization is always accompanied by an increase in frequency of the grammatical marker providing clear evidence that language use is a major factor in the evolution of synchronic language states The Evolution of Grammar has important implications for the development of language and for the study of cognitive processes in general

Tense and Aspect in English and in German Patricia Schneider, 2010-10 Seminar paper from the year 2009 in the subject English Pedagogy Didactics Literature Studies grade 1.3 University of Freiburg Englisches Seminar course Proseminar I Contrastive Linguistics language English abstract As English and German are both Germanic languages they are closely related However there are still a lot of differences to be found when comparing the two languages This is among other things due to the fact that English and German represent different language types Among the grammatical categories relating to which the two languages can be analysed tense and aspect are certainly salient Before starting to analyse both languages with regard to these categories the difference between tense and aspect has to be clarified Tense is both a deictic and a relational category Therefore it locates an event on the time line usually with reference to the time of speaking Aspect by contrast does not locate an event or situation on the time line nor does it relate the time of one situation to another It is rather concerned with the internal temporal constituency of one situation This term paper will examine how English and German differ in their use and expression of tense and aspect taking the perspective of a learner First the three stages of tense and aspect acquisition by learners will be described in general terms Particular attention will be paid to the influence of instruction on the learners Then this term paper will examine how English and German differ in their use of tense This will be illustrated on the example of the different uses of the perfect Afterwards the focus will be on aspect While English uses the progressive to indicate a change of aspect there is no such formal equivalent in the German language Therefore German learners of English are confronted with the question of how to express this internal constituency of one

situation in their mother tongue Various devices that are used by German learners of English

Tense and Aspect in the Languages of Europe Östen Dahl, 2008-08-22 No detailed description available for Tense and Aspect in the Languages of Europe

Tense, Aspect, and Action Carl Bache, Hans Basbøll, Carl-Erik Lindberg, 1994 The series is a platform for contributions of all kinds to this rapidly developing field General problems are studied from the perspective of individual languages language families language groups or language samples Conclusions are the result of a deepened study of empirical data Special emphasis is given to little known languages whose analysis may shed new light on long standing problems in general linguistics

Tense and Aspect in English and in German Patricia Schneider, 2010-10-19 Seminar paper from the year 2009 in the subject Didactics for the subject English Pedagogy Literature Studies grade 1.3 University of Freiburg Englisches Seminar course Proseminar I Contrastive Linguistics language English abstract As English and German are both Germanic languages they are closely related However there are still a lot of differences to be found when comparing the two languages This is among other things due to the fact that English and German represent different language types Among the grammatical categories relating to which the two languages can be analysed tense and aspect are certainly salient Before starting to analyse both languages with regard to these categories the difference between tense and aspect has to be clarified Tense is both a deictic and a relational category Therefore it locates an event on the time line usually with reference to the time of speaking Aspect by contrast does not locate an event or situation on the time line nor does it relate the time of one situation to another It is rather concerned with the internal temporal constituency of one situation This term paper will examine how English and German differ in their use and expression of tense and aspect taking the perspective of a learner First the three stages of tense and aspect acquisition by learners will be described in general terms Particular attention will be paid to the influence of instruction on the learners Then this term paper will examine how English and German differ in their use of tense This will be illustrated on the example of the different uses of the perfect Afterwards the focus will be on aspect While English uses the progressive to indicate a change of aspect there is no such formal equivalent in the German language Therefore German learners of English are confronted with the question of how to express this internal constituency of one situation in their mother tongue Various devices that are used by German learners of English to express the progressive will be exemplified Both the section on tense and the section on the progressive will conclude with a focus on the difficulties for and the typical errors made by the learners However as there is no material available concerning English learners of German only the German learners of English will be taken into account

The Prominence of Tense, Aspect and Mood D.N.S. Bhat, 1999-03-15 The book puts forth an exciting hypothesis for the typologist Its major claim is that languages can generally be regarded as belonging to a tense prominent aspect prominent or mood prominent language type This grouping can be based upon the relative prominence that languages attach to one or the other of the three verbal categories namely tense aspect and mood by grammaticalizing the chosen category to a greater degree than others and by

making it more obligatory more systematic and more pervasive than others The grouping however involves a gradation as is indeed the case with other typological groupings with some languages manifesting the relevant characteristic more strikingly than others There are several characteristics that can be correlated with the relative prominence that languages attach to verbal categories For example tense prominent languages tend to have mostly active but not stative verbs They also tend to keep adjectives as a distinct category or group them with nouns but not with verbs Verbal forms used for foregrounding generally belong to the most prominent verbal category These and other similar correlations make this typological classification worth pursuing The book also contains a descriptive study of the three verbal categories Tense and Aspect - The Past Perfect Sandra Schwesinger, 2012-09-04 Seminar paper from the year 2011 in the subject English Language and Literature Studies Linguistics grade 1.0 University of Würzburg language English abstract 1 Introduction Tense and aspect A foreign learner of the English language has to struggle with many tasks concerning vocabulary and grammar Especially the correct usage of the verb phrase includes a highly difficult problem and has to be analysed very detailed It includes not only the grammatical category of tense but as well the category of aspect mood and voice This paper is supposed to concentrate on the grammatical categories tense and aspect Tense is used to express the location of an event or state in time It can be divided into future present and past tense By contrast to that aspect expresses the way in which the action or the state is experienced It reflects the meaning of the verb in relation to time That means it shows whether the action is finished or is still in progress The English verb system includes the perfective aspect the progressive aspect the simple aspect and the perfect progressive aspect Quirk et al 1979: 40 In the following an overview of the tense past combined with the perfective aspect will be given First of all the definitions of this tense and aspect will be compared in three different grammars Meaning and the English Verb by Leech A Student's Grammar of the English Language by Quirk and Greenbaum and Longman Student Grammar of spoken and written English by Biber et al In the second part of the paper the application of the past perfect will be analysed in an excerpt of Harry Potter and the Prisoner of Azkaban written by Joanne K Rowling *English and German Tense-Aspect Systems: A Comparison* Melanie Bobik, 2012 Studienarbeit aus dem Jahr 2003 im Fachbereich Anglistik Komparatistik Note 1.00 Freie Universität Berlin Institut für Englische Philologie Veranstaltung Understanding English German Contrasts 28 Quellen im Literaturverzeichnis Sprache Deutsch Abstract Within the last two decades many attempts have been made to define a generally accepted concept of universal temporal and aspectual systems There are comprehensive studies about the grammatical functions of tense and aspect their categories and their meaning In regard to their tense systems English and German show amazing parallels in the inventory of forms but there are major differences in their use and function The following paper gives an overview of English and German tense and aspect systems and presents traditional and current theories and controversies on them Moreover an attempt will be made to discuss in detail function and use of the perfect future and progressive construction in these two languages *Recent Advances in the Syntax and*

Semantics of Tense, Aspect and Modality Louis de Saussure, Jacques Moeschler, Genoveva Puskás, 2008-09-25 It is a fact that tense aspect and modality together form one of the most recurring and active areas of research in contemporary syntax and semantics as well as in other disciplines of linguistics A large number of syntactic and semantic phenomena are concerned by the temporal aspectual modal level of representation information about time aspect and modality is part of virtually all sentences inflexion is quite widely considered as the core of syntactic projections Because of this very crucial situation and role in the sentence structure temporal aspectual and modal information concerns virtually any part of the sentence and this information has scope over the whole characterization of the eventuality denoted by the sentence This book is an up to date milestone for the studies of temporality and language in particular regarding syntax and semantics but with incidental hints to pragmatics and theories of human natural language understanding Through this very tight selection of 15 papers originally delivered during the 6th Chronos colloquium tenses aspect and modality are investigated both at the descriptive and theoretical levels involving many different Indo European and non Indo European languages The volume sheds light on a wide array of phenomena that remained too little explored until now These include the following modal subordination in Japanese epistemic modals in Dutch and English in Free Indirect Speech contexts aspectual readings of idioms adverb licensing with the German perfect French imperfective past compared with English progressive past infinitival perfect in English Adult Root Infinitives economy constraints on temporal subordinations future modality past interpretation of present tense in embedded clauses and time without tenses in Mandarin and Navajo The book is of interest to scholars and advanced students in the fields of linguistics general linguistics semantics syntax as well as philosophy and logic **Tense-Aspect**

Paul J. Hopper, 1982-01-01 The verbal categories of tense and aspect have been studied traditionally from the point of view of their reference to the timing and time perspective of the speaker's reported experience They are universal categories both in terms of the semantic functional domain they cover as well as in terms of their syntactic and morphological realization Nevertheless their treatment in contemporary linguistics is often restricted and narrow based often involving mere recapitulation of traditional semantic and morphotactic studies The present volume arises out of a symposium held at UCLA in May 1979 in which a group of linguists gathered to re-open the subject of tense and aspect from a variety of perspectives including in addition to the traditional semantics also discourse pragmatics psycholinguistics child language Creolization and diachronic change The languages discussed in this volume include Russian Turkish English Indonesian Ameslan Eskimo various Creoles Mandari Hebrew Bantu and others The emphasis throughout is not only on the description of language specific tense aspect phenomenon but more on the search for universal categories and principles which underlie the cross language variety of tense and aspect In particular many of the participants address themselves to the relationship between propositional semantics and discourse pragmatics in so far as these two functional domains interact within tense aspect systems **Beyond the Aspect Hypothesis** Emmanuelle Labeau, 2005 The Aspect Hypothesis AH claims that the

association of any verb category lexical aspect with any grammatical aspect perfective or imperfective constitutes the endpoint of acquisition The present book evaluates the explanatory power of the Aspect Hypothesis for the acquisition of French past tenses which constitutes a serious stumbling block for foreign learners even at the highest levels of proficiency The present research applies the Aspect Hypothesis to the production of 61 Anglophone advanced learners in a tutored environment In so doing it tests concurrent explanations including the influence of the input the influence of chunking and the hypothesis of cyclic development It discusses the cotextual and contextual factors that still provoke non native glitches at the final stage of the Aspect Hypothesis The book shows that the AH fails to account for the complex phenomenon of past tense development as it adopts a local and linear approach

Crosslinguistic Views on Tense, Aspect and Modality

Bart Hollebrandse, Angeliek van Hout, Co Vet, 2005 This Cahiers Chronos volume reports on new and ongoing research on tense aspect and modality in which a variety of languages has been gathered The languages discussed by the authors include in alphabetical order Brazilian Portuguese Chinese Dutch English French German Greek Italian Japanese Polish Russian and Spanish The articles form a selection of the papers presented at the 5th Chronos Conference that took place at the University of Groningen the Netherlands in June 2002 We have categorized the papers into three sections Tense Aspect and Modality Obviously this ordering is somewhat arbitrary given that some of the papers cross these rather rigid boundaries as they discuss the interplay of tense and aspect or tense and modality This book is of interest for scholars in the field of semantics logic syntax and comparative linguistics

Tense-Aspect-Modality in a Second Language

Martin Howard, Pascale Leclercq, 2017-02-15 Situated within the long established domain of temporality research in Second Language Acquisition this book aims to provide an update on recent research directions in the field through a range of papers which explore relatively new territory Those areas include the expression of modality and counterfactuality the effect of first language transfer aspectuo temporal comprehension aspectuo temporal marking at a wider discursive level and methodological issues in the study of the acquisition of aspect The studies presented explore English and French as second languages involving both child and adult learners from a range of first language backgrounds in both instructed and naturalistic learning contexts The studies draw on both spoken and written data which explore various facets of the learners second language comprehension and production The volume offers new but complementary insights to previous research as well as pointing to directions for future research in this burgeoning field of study

Tense and Aspect in Indo-Aryan Languages

Ashwini Deo, 2006 **Tense and Aspect in Romance Languages** Dalila Ayoun, M. Rafael Salaberry, 2005-08-18 This volume presents a state of the art descriptive and explanatory analysis of the second language development of Romance tense aspect systems It contains new experimental data from adult French Catalan Portuguese learners and Italian children learners Standing research questions are addressed and pedagogical implications for foreign language classrooms are proposed arguing that there are possible commonalities in the instructional sequences of tense aspect development in Romance

languages The first chapter presents an overview of current theoretical approaches and a summary of empirical findings The following four chapters introduce new empirical data from a variety of theoretical perspectives e g the Aspect Hypothesis the UG Minimalist framework Chapter 5 proposes practical pedagogical approaches for the foreign language classroom based on empirical findings The last chapter summarizes and discusses these findings in order to start elaborating a more

comprehensive model of the development of tense aspect marking in the Romance languages **The Evolution of Grammar** Joan L. Bybee, 1994 **Cross-linguistic Semantics of Tense, Aspect and Modality** Lotte Hogeweg, Helen de Hoop, Andrej Malchukov, 2009 Preface 1 The semantics of tense aspect and modality in the languages of the world Lotte Hogeweg Helen de Hoop Andrej Malchukov 2 Incompatible categories Resolving the present perfective paradox Andrej L Malchukov 3 The perfective imperfective distinction Coercion or aspectual operators Corien Bary 4 Lexical and compositional factors in the aspectual system of Adyghe Peter M Arkadiev 5 Event structure of non culminating accomplishments Sergei Tatevosov Mikhail Ivanov 6 The grammaticalised use of the Burmese verbs *la* come and *w go* Nicoletta Romeo 7 Irrealis in Yurakar and other languages On the cross linguistic consistency of an elusive category Rik van Gijn Sonja Gipper 8 On the selection of mood in complement clauses Rui Marques 9 Out of control marking as circumstantial modality in St t imcets Henry Davis Lisa Matthewson Hotze Rullmann 10 Modal geometry Remarks on the structure of a modal map Kees de Schepper Joost Zwarts 11 Acquisitive modals Johan van der Auwera Petar Kehayov Alice Vittrant 12 Conflicting constraints on the interpretation of modal auxiliaries Ad Foolen Helen de Hoop 13 Modality and context dependence Fabrice Nauze 14 Verbal semantic shifts under negation intensionality and imperfectivity Russian genitive objects Barbara H Partee Vladimir Borschev 15 The Estonian partitive evidential Some notes on the semantic parallels between aspect and evidential categories Anne Tamm Index *Tense, aspect and discourse structure* Jakob Egetenmeyer, Sarah Dessì Schmid, Martin G. Becker, 2024-09-23 Tense and aspect are crucial devices of sentence meaning They interact with Aktionsart but also with verb types and adverbs when indicating temporal relations and building temporal discourse structure On the discourse level they are co determined by narrative functions enhancing the complexity of their description The volume depicts this vast field It unites twelve contributions which elaborate on three thematic cores 1 the context sensitivity of tense and aspect and their relationships with neighbouring categories 2 their interaction with adverbs 3 their functioning in discourse The volume advances our knowledge of the matters at hand in different respects It discusses the onomasiological status of categories such temporality and aspectuality critically It addresses the functioning of tense in discourse from various angles A further focus is placed on the imperfective past tense aspect form its uses and meaning potentials Its analysis ranges from marking evidentiality to indicating perspectives The volume combines papers with various theoretical approaches and methodologies notably formally oriented linguistics and data driven accounts The multiplicity of subjects and methods may resonate beyond the field of Romance linguistics **Individuals in Time** María J.

Arche,2006-01-01 This monograph investigates the temporal properties of those predicates referring to individuals the so called individual level IL predicates in contrast to those known as stage level SL predicates Many of the traditional tenets attributed to the IL SL dichotomy are not solidly founded this book claims as it examines current theoretical issues concerning the syntax semantics inter face such as the relation between semantic prop erties of predicates and their syntactic structure By using the contrast found in Spanish copular clauses ser vs estar Individuals in Time shows that the conception of IL predicates as permanent and stative cannot be maintained The existence of nonstative IL predicates is demonstrated through analyzing the correlation between the syntactic presence of certain projections specifi cally preposi tional complements and process like aspect properties This detailed examin ation of IL predicates in the domains of inner aspect outer aspect and tense will be welcomed by scholars and students with an interest in event structure tense and aspect

Adopting the Track of Expression: An Psychological Symphony within **Tense And Aspect**

In a world consumed by screens and the ceaseless chatter of immediate interaction, the melodic beauty and mental symphony produced by the published term usually disappear in to the backdrop, eclipsed by the persistent sound and disturbances that permeate our lives. But, set within the pages of **Tense And Aspect** a wonderful fictional treasure overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, this fascinating masterpiece conducts visitors on a psychological journey, well unraveling the concealed songs and profound affect resonating within each cautiously crafted phrase. Within the depths of the moving assessment, we will explore the book is main harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Tense And Aspect Introduction

In today's digital age, the availability of Tense And Aspect books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Tense And Aspect books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Tense And Aspect books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Tense And Aspect versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Tense And Aspect books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Tense And Aspect books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tense And Aspect books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Tense And Aspect books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Tense And Aspect books and manuals for download and embark on your journey of knowledge?

FAQs About Tense And Aspect Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tense And Aspect is one of the best book in our library for free trial. We provide copy of Tense And Aspect in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tense And Aspect. Where to download Tense And Aspect online for free? Are you looking for Tense And Aspect PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always

to check another Tense And Aspect. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Tense And Aspect are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Tense And Aspect. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Tense And Aspect To get started finding Tense And Aspect, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Tense And Aspect So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Tense And Aspect. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Tense And Aspect, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Tense And Aspect is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Tense And Aspect is universally compatible with any devices to read.
