The Gay Theology

Kent Philpott

The Gay Theology:

Defying the Darkness J. Michael Clark, 2010-01-01 Clark's work is original in that he has inserted himself precisely as a gay scholar in the midst of an ongoing conversation far larger than that of the gay world including ecofeminism Judaism and Native American and shows especially how queer theory and ecofeminism can illuminate each other Richard L Smith author of *AIDS Gays and the American Catholic Church* The Pilgrim Press **The Gay Theology** Kent Philpott, 1977-01-01 The Queer God Marcella Althaus-Reid, 2004-06 In *The Queer God* Marcella Althaus Reid reflects on Latin American spiritual traditions and considers the need for a Queer concept of holiness and a theology of grace outside colonial parameters

Radical Love Patrick S. Cheng, 2011-03 The first introductory textbook on the subject of queer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and Asian American theology and a wide variety of academic and general introductions exist to examine each one However *Radical Love* is the first introductory textbook on the subject of queer theology In this lucid and compelling introduction Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework Topics include revelation God Trinity creation Jesus Christ atonement sin grace Holy Spirit church sacraments and last things as seen through the lenses of LGBT theologians Gay Theology without Apology Gary David Comstock, 2009-12-01 fresh and bold a charter of hope In these fresh and bold essays Gary David Comstock finds God's liberating connection in scripture from the underside in nontraditional traditions and in body experience Candidly self-revelatory he shows how only in taking our own lives seriously can we be lovers of the world *Gay Theology without Apology* is both judgment on churchly oppression and a charter of hope for gay lesbian bisexual Christians on the edges of the church It is also truly an apologia a persuasive case for the richer more erotic more just and loving humanness of everyone of us James B Nelson Professor of Christian Ethics United Theological Seminary of the Twin Cities an important contribution a creative search for meaning Gary Comstock has taken the initiative to reconstruct Christian tradition out of his experience of mutuality and relationship as a gay man and has made an important contribution to the growing field of gay liberation theology His critique of heterosexism in the Bible leads to a creative search for meaning in the lives of those struggling for wholeness and new life in community Letty M Russell Professor of Theology Yale Divinity School a gripping testimonial all of us are enriched Starting from the ground of his own unfolding experience as a gay man Gary Comstock critically assesses Christian Scripture tradition and church practice as fragile but valued resources rather than monolithic authorities for nurturing a more inclusive human community This book is a gripping testimonial to the integrity of the gay way of being in the world At the same time it is a convincing demonstration of how all of us are enriched by fully honoring gayness as a valid way of being human and Christian Norman K Gottwald Professor of Biblical Studies New York Theological Seminary the real deviants are the homophobes Gay people generally will

draw hope and support from this book and a lot of Christians will find in the author's thoughtfulness and humanity a real asset in battling their own Victorian resistance and rigidity. Comstock reconfirmed my conviction that the real deviants are the homophobes. William Sloane Coffin, Former Senior Minister, Riverside Church, New York.

Controversies in Queer Theology Susannah Cornwall, 2011. An introduction to one of the most challenging areas of contextual theology. Queer theology is a significant new development and central to much current teaching and thinking about gender, sexuality and the body.

Gay and Lesbian Theologies Elizabeth Stuart, 2017-09-08. Gay and lesbian theology has been one of the most distinctive voices to have emerged in Christian theology in the last 30 years. It has placed lesbian and gay experience at the heart of the theological process. Elizabeth Stuart, one of the most prominent theologians in this field, presents the first critical survey of gay and lesbian theology, arguing that its emergence was nothing short of miraculous. Gay and lesbian theologians managed to take a dominant Christian discourse which rendered them sinful, sick and harmful to the common good and transform it into a theology which argued that a person's sexuality provided the point of contact between God and themselves. Stuart argues that miraculous though this was, gay and lesbian theology has revealed itself to be bankrupt, incapable of providing universally convincing reasons for the inclusion of lesbian and gay people and their relationships in the Church, and unable to deal with the defining experience of lesbian and gay communities in the late twentieth century. AIDS. Stuart concludes that lesbian and gay people and their opponents in the Church have too easily bought into modern constructions of sexual identity and cut themselves off from a Christian tradition which is far more queer in that it refuses to accept the stability of gender and sexual desire. Stuart argues that the only way out of the current deadlock on the issue of homosexuality in the Churches is for both sides to embrace this ancient queer tradition, a Christian tradition which teaches that in the end, gender and sexual identities have no ultimate importance.

Jonathan's Loves, David's Laments Dirk von der Horst, 2017-03-24. Jonathan's Loves, David's Laments uses early modern musical interpretations of David's Lament over Saul and Jonathan to deepen the historicist foundations of contemporary feminist and gay relational theologies. After laying out how gay theologian Gary David Comstock connects the story of David and Jonathan to the theology of lesbian theologian Carter Heyward, the argument interrogates both theological and exegetical problems in making those connections which include contradictory theological stances with regard to modernity and history as well as the indeterminacy of the biblical text. Early modern musical interpretations of the text allow for a double move of engaging the texts through a sensual medium, thus reinforcing queer possibilities for meaning-making from the biblical text and staying attuned to the fact that the history of interpretation reinforces the indeterminacy of the text, thus keeping queer interpretations aware of the relativizing function of historical difference.

Just Good Friends Elizabeth Stuart, 1995. A great deal has been written about homosexuality and Christianity. Although generally there is a conscious move towards understanding and incorporating the experiences of gay men and women, the Church's response has been to treat homosexuality as a problem within sexual ethics.

However a growing number of gay and lesbian Christians influenced by liberation movements within and outside the Church are claiming a place in the Church and finding a voice in theological and ecclesiastical discourse Elizabeth Stuart suggests that gay people may have some important insights to contribute to theological reflection about sexuality marriage and celibacy most notably in the understanding of friendship to include our most intimate and committed relationships This is not a book about whether Christians should accept or affirm gay people and their relationships That debate goes on Dr Stuart's concern here is to ask supposing lesbian and gay people were equal in the sight of God what then might heterosexual people learn from them What new and creative ways of relating might emerge to the benefit of the whole community New & Enlarged Handbook of Christian Theology Donald W. Musser, Joseph Price, 2011-09-01 This handbook provides thorough introductory articles on important themes in Christian theology Along with cross references and select bibliographies it is an indispensable reference source The Handbook consists of 148 topical entries arranged alphabetically Instead of a Table of Contents a Routes For Reading page suggests related entries and cross referencing makes surfing this volume easier than ever *Homosexuality and Religion* Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality **Religion is a Queer Thing** Elizabeth Stuart, 1997 The last ten years have witnessed a sea change amongst lesbian gay bisexual and transgendered Christians Many are no longer content to beg a place at the pre existing table of the institutional Churches Rather they have found a new confidence in their ability to define their own experience and think theologically about it Queer theology is emerging as a distinctive radical and explosive theological tradition of which all in the churches will eventually have to take notice This theology exposes the heterosexist thought patterns and assumptions that underlie many Christian doctrines and practices and rescues parts of the tradition helpful to queer Christians which may have been lost along the way Most importantly of all it fashions Christian theologies untainted by homophobia and heterosexism This book makes queer theology available and accessible to a general reader and encourages the reader to become part of the ongoing development of this theology It is aimed primarily at queer people who are either new to Christianity or those who are interested in reflecting upon their Christian faith from a queer perspective It is a study guide which can be used by groups and by individuals and contains exercises and liturgies as well as explanations of queer theology Subjects covered include the bible salvation Christ body theology God the church death and ethics Christian lesbian gay bisexual and transgendered support groups churches individuals **A Special Illumination** Rollan McCleary, 2004 Gay

spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion *The Gay Gospel?* Joe Dallas,2007-02-01 In this updated edition of A Strong Delusion author and counselor Joe Dallas helps readers understand what pro gay theology is and how to confront it In a biblical manner Dallas examines believers personal responses and the need for bold love and commitment as they become familiar with the movement s background and beliefs study a clear scriptural response to each belief extend Christ s love to those living the homosexual lifestyle This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community It offers the balance between conviction and compassion and a practical guide to communicating with those who have embraced the pro gay Christian movement From Sin to Amazing Grace Patrick S. Cheng,2012-03-01 Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God s saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates Cheng argues that people need to be liberated from the traditional legal model of thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ This book serves as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century **Gay Theology Without Apology** Gary David Comstock,1993 Presenting a theology forged out of personal experience informed and guided by Scripture and tradition Comstock holds up the contradictions in the Bible and examines the various facets of Jesus not to condemn inconsistencies but to draw from them the strengths and beauty they may hold for everyone who claims Christianity as his or her faith **Queer Theology** Gerard Loughlin,2007-11-19 These essays reconceptualize the body and its desires argue that Christian sexuality is meaningful for the good of the Church and that bodies are the mobile products of changing discourses and regimes of power Unlocking Orthodoxies for Inclusive Theologies Robert E. Shore-Goss,Joseph N. Goh,2019-11-28 This book enters a new liminal space between the LGBTQ and denominational Christian communities It simultaneously explores how those who identify as queer can find a home in church and how those leading welcoming or indeed unwelcoming congregations can better serve both communities The primary

argument is that queer inclusion must not merely mean an assimilation into existing heteronormative respectability and approval Chapters are written by a diverse collection of Asian Latin American and U S theologians religious studies scholars and activists Each of them writes from their own social context to address the notion of LGBTQ alternative orthodoxies and praxes pertaining to God the saints failure of the church queer eschatologies and erotic economies Engaging with issues that are not only faced by those in the theological academy but also by clergy and congregants the book addresses those impacted by a history of Christian hostility and violence who have become suspicious of attempts at acceptance It also sets out an encouragement for queer theologians and clergy think deeply about how they form communities where queer perspectives are proactively included This is a forward looking and positive vision of a more inclusive theology and ecclesiology It will therefore appeal to scholars of Queer Theology and Religious Studies as well as practitioners seeking a fresh perspective on church and the LGBTQ community

Queer Theologies: The Basics Chris Greenough, 2019-10-01 *Queer Theologies The Basics* is a concise and illuminating introduction to the study of this controversial and discursive subject area This book provides an accessible exploration into the major themes within queer studies queer theologies and themes of gender and sexuality in Christianity Topics covered include The development of queer theologies Queering traditional theology Queer theologies in global contexts Queer Bible Queer theologies from queer lives With a glossary of key terms and suggestions for further reading throughout this book is an ideal starting point for anyone seeking a full introduction to Christian queer theologies as well as broader themes in theology gender and sexuality

The Queer Bible Commentary Deryn Guest, 2015-04-10 *The Queer Bible Commentary* brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Rather than a verse by verse analysis typical of more traditional commentaries contributors to this volume focus specifically upon those portions of the book that have particular relevance for readers interested in lesbian gay bisexual and transgender issues such as the construction of gender and sexuality the reification of heterosexuality the question of lesbian and gay ancestry within the Bible the transgendered voices of the prophets the use of the Bible in contemporary political socio economic and religious spheres and the impact upon lesbian gay bisexual and transgender communities Accordingly the commentary raises new questions and re directs more traditional questions in fresh and innovative ways offering new angles of approach This comprehensive cutting edge commentary is prefaced by an introductory essay by Professor Mary Tolbert Contributors draw on feminist queer deconstructionist utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect lesbian gay bisexual and or transgender communities The commentary includes an extensive bibliography that directs the reader to a full range of literature relating to queer interpretation of scripture

Right here, we have countless books **The Gay Theology** and collections to check out. We additionally have enough money variant types and next type of the books to browse. The pleasing book, fiction, history, novel, scientific research, as skillfully as various supplementary sorts of books are readily understandable here.

As this The Gay Theology, it ends up being one of the favored ebook The Gay Theology collections that we have. This is why you remain in the best website to look the incredible book to have.

The Gay Theology Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Gay Theology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Gay Theology has opened up a world of possibilities. Downloading The Gay Theology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Gay Theology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Gay Theology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Gay Theology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Gay Theology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Gay Theology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Gay Theology Books

1. Where can I buy The Gay Theology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Gay Theology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Gay Theology books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Gay Theology audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or

community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read The Gay Theology books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
