Francis Channing Barlow Henry Sturgis Russell Roger Wolcott William Eustis Russell Charles Elliot and William Henry Baldwin *The Chief Actors in the Puritan Revolution* Peter Bayne, 1879 [The 'Puritan' Democracy of Thomas Hill Green](#) Alberto de Sanctis, 2016-12-15 The central concern of this book is to demonstrate how Puritanism was a theme which ran through all Green's biography and political philosophy. It thereby reveals how Green's connections with Evangelicalism and his known affinities with religious dissent came from his way of conceiving Puritanism. In Green's eyes its anti-formalist viewpoint made Puritanism the most suitable tool for avoiding the drawbacks of democracy. The key objective of the book is to illustrate how the philosophy elaborated by Green aimed to encapsulate the best of Puritanism whilst eschewing the dangerous abstractions of both Puritan philosophy and German idealism. It follows that Green's conception of positive and negative freedom and his vision of political obligation stemmed from his effort to revive the Puritan heritage rather than from an ambiguous flirtation with idealism. The book purports to show how the influence of Puritanism in Green's political thought is an element which can help to integrate the literature in the area contributing to a better comprehension of a philosopher who despite being unanimously considered as the founder of the so-called Oxford idealist school had a very difficult and sometimes obscure connection with idealism. It has been widely argued that Green's relationship with idealism seemed to be infected by a religious germ which because it was unrelated to German idealism gave it a bad taste. This study aims to encourage further investigation into the nature and propagation of that germ in the British idealist School.

In this booklet Don Kistler, founder and president of Soli Deo Gloria, demonstrates that an abundance of good for the soul is to be had from the Puritans. This is an excellent introduction to give to someone who has never read the Puritans or has bought into the caricature of them given by our secular society and revisionists of history.
