

A dramatic scene featuring Jesus with long brown hair and a beard, wearing a light blue robe. He is gently holding a small white lamb in his arms. In the background, a large flock of sheep is gathered on a hillside under a warm, golden sunset sky. The overall mood is peaceful and pastoral.

Latter Day Saints      **Gathering Israel** Michael Morton, John Wudel, 2016-08-30 This book Gathering Israel captures a small part of a global religious movement From its perspective we gain an appreciation for the miracle that is the gathering of God's covenant people It is the story of two individuals Michael Morton and John Wudel who come from two very different spiritual backgrounds Michael grew up as a Jew while John grew up as a Methodist Both men loved the religions of their youth but they both felt something was missing As time goes on they end up searching for the same answers They sense that what is absent from their lives is a fuller truth that can lead them to their own spiritual salvation Their search takes them along two very different paths but eventually they meet and find that both have come to the same conclusions Both have discovered that the complete truth of God's Plan is on the earth and if you want to find it badly enough God will show you His truths when you are ready to accept them Michael and John have filled their book with personal revelation and stories as their testimony that Heavenly Father loves each one of us no matter who we are or what our circumstances Gathering Israel celebrates the miracle of the spiritual and literal gathering of the Twelve Tribes of Israel in this the Last Dispensation
