## **The Gentleman Is A Tramp Charlie Chaplins Comedy:**

**The Gentleman is a Tramp** Claudia Clausius, 1989 Speaking to us in the language of comedy Charlie Chaplin's art has always brought the world closer together At the same time however it deliberately often insidiously puts us at odds with ourselves What is responsible for this comic tension And why do we find the humour irresistibly attractive The answer greets us with a polite bow and tip of the derby the Tramp But whose creation is this gentleman tramp Who holds the strings of the film marionette Charlie the puppeteer or the audience The answer is of course both In the collaboration between Chaplin and the spectator a comedy ignites which challenges as it delights and pricks as it tickles Written in a straightforward manner with an eye to the amateur film enthusiast as well as the academic critic this book investigates the Tramp character's evolution from the early shorts through the sentimental middle period to the darker more cynical films and demonstrates how the comedy consistently uses the basic emotional intellectual collision between Chaplin the director and Charlie the Tramp to evoke both laughter and reflection Tackling both traditional and contemporary cinema criticism before analysing several of the key films *The Gentleman is a Tramp* takes a close up look at the man in front of and behind the camera *We'll Always Have the Movies* Robert L. McLaughlin, Sally E. Parry, 2006-03-03 *We'll Always Have the Movies* explores how movies made in Hollywood during World War II were vehicles for helping Americans understand the war Far from being simplistic flag waving propaganda designed to evoke emotional reactions these films offered audiences narrative structures that formed a foundation for grasping the nuances of war These films asked audiences to consider the implications of the Nazi threat they put a face on both our enemies and allies and they explored changing wartime gender roles *We'll Always Have the Movies* reveals how film after film repeated the narratives character types and rhetoric that made the war and each American's role in it comprehensible Robert L. McLaughlin and Sally E. Parry have screened more than 600 movies made between 1937 and 1946 including many never before discussed in this context and have analyzed the cultural and historical importance of these films in explaining the war to moviegoers Pre Pearl Harbor films such as *Sergeant York* *Foreign Correspondent* and *The Great Dictator* established the rationale for the war in Europe After the United States entered the war films such as *Air Force* *So Proudly We Hail* and *Back to Bataan* conveyed reasons for U.S. involvement in the Pacific *The Hitler Gang* *Sahara* and *Bataan* defined our enemies and *Mrs. Miniver* *Mission to Moscow* and *Dragon Seed* defined our allies Some movies *The Miracle of Morgan's Creek* *Hail the Conquering Hero* and *Lifeboat* among them explored homefront anxieties about the war's effects on American society Of the many films that sought to explain the politics behind and the social impact of the war and why it concerned Americans *Casablanca* is perhaps one of the most widely recognized McLaughlin and Parry argue that Rick's Café Américain serves as a United Nations sheltering characters who represent countries being oppressed by Germany At Rick's these characters learn that they share a common love of freedom which is embodied in patriotism from this commonality they overcome their differences and work together to solve a conflict that affects them all As the representative

American Rick Blain Humphrey Bogart cannot idly stand by in the face of injustice and he ultimately sides with those being oppressed Bogart's character is a metaphor for America which could also come out of its isolationism to be a true world leader and unite with its allies to defeat a common enemy Collectively Hollywood's war era films created a mythic history of the war that even today has more currency than the actual events of World War II *The Comic Vision and the Christian Faith* Conrad Hyers, 2003-10-15 Is comedy an inconsequential part of life useful primarily for relaxation and escape Conrad Hyers asserts that comedy is central to all aspects of existence In *The Comic Vision and the Christian Faith* Hyers offers the first detailed study of the special significance of comic and religious themes to show that the comic tradition enriches and informs as well as entertains Maintaining that comedy constitutes its own mythology Hyers examines the great array of comic figures tricksters clowns jesters fools humorists comedians and the like and shows their historical significance in giving meaning to the major issues with which humankind has been concerned Finally Hyers shows us that when we appreciate the importance of the comic vision we gain a keener fresher and more meaningful outlook **Film - An International Bibliography** Malte Hagener, Michael Töteberg, 2016-12-16 Kommentierte Bibliografie Sie gibt Wissenschaftlern Studierenden und Journalisten zuverlässig Auskunft über rund 6000 internationale Veröffentlichungen zum Thema Film und Medien Die vorgestellten Rubriken reichen von Nachschlagewerk über Filmgeschichte bis hin zu Fernsehen Video Multimedia *The Music of Charlie Chaplin* Jim Lochner, 2018-10-16 Charlie Chaplin the actor is universally synonymous with his beloved Tramp character Chaplin the director is considered one of the great auteurs and innovators of cinema history Less well known is Chaplin the composer whose instrumental theme for *Modern Times* 1936 later became the popular standard *Smile* a Billboard hit for Nat King Cole in 1954 Chaplin was prolific yet could not read or write music It took a rotating cast of talented musicians to translate his unorthodox humming off key singing and amateur piano and violin playing into the singular orchestral vision he heard in his head Drawing on numerous transcriptions from 60 years of original scores this comprehensive study reveals the untold story of Chaplin the composer and the string of famous and not so famous musicians he employed giving fresh insight into his films and shedding new light on the man behind the icon **Dramatic Realities** Randall Fallows, 1993 *The Complete Films of Laurence Olivier* Jerry Vermilye, 1992 Laurence Olivier portrayed characters that were as diverse as they were memorable From Hamlet to Heathcliff from a Nazi dentist in *Marathon Man* to a cunning mystery writer in *Sleuth* his roles made him one of the most highly acclaimed actors of all time This book celebrates his career including casts credits synopses and production notes from every movie in which he appeared Photographs illustrate the text with rare candid shots borrowed from Olivier collectors **Forthcoming Books** Rose Arny, 1989-05 **Christianity & Literature**, 1994 **Charlie Chaplin** Wes D.
