The German Student Corps In The Third Reich:

The German Student Corps in the Third Reich R G Weber,1986-01-28 *The German Student Corps in the Third Reich* R. G. S. Weber,1986-01-01 This work examines the attitudes and responses of the German student corps to the Nazi Student s Association before and after the creation of the Third Reich in 1933 and shows how the corps opposition to the new political orthodoxy brought the two groups into early and bitter conflict Jacket **The German Student "Corps" in the Third Reich** Ross Grant Weber,1983 *The German Student Corps After the Second World War* Mark E. Wood,1992

The Encyclopedia Of The Third Reich Christian Zentner,Friedemann Bedurftig,1997-08-21 Includes more than 3000 entries Probably the most extensive reference available in English on the National Socialist phenomenon Covers sports culture religion economics etc *A History of Germany* Diether Raff,1988 Hitler and Nazi Germany Jackson J.

Spielvogel,David Redles,2010 This text is a brief yet comprehensive survey of the Third Reich based on current research findings and it is written for students and general readers who want a deeper understanding of this period in German history It provides a balanced approach in examining Hitler s role in the history of the Third Reich and includes coverage of the economic social and political forces that made the rise and growth of Nazism possible the institutional cultural and social life of the Third Reich the Second World War and the Holocaust Hallmark Features An in depth portrait of Adolf Hitler the man and the leader Coverage includes the influences on his early development his character traits his oratorical skills his messianic pretensions and an analysis of his ideology based on quotations from his writings and speeches A thorough examination of the Holocaust Includes coverage of anti Semitism in Germany Hitler s personal racial ideology and vision of Aryan purity the mechanisms of terror and control and the machinery of the Final Solution The Jewish perspective is woven throughout this coverage Engaging coverage of the following topics Anti Jewish policies and the involvement of ordinary Germans in the Holocaust The political scene in Weimar Germany The role of Gregor Strasser in rebuilding the Nazi Party Walter Darr and Blood and Soil The internal consolidation of power Party state relations Early Nazi economic policy The SS and the military between 1933 1939 Provides the most up to date research Pedagogical Features Student Pedagogy Includes maps photos bibliographies and suggestions for further reading David Redles Associate Professor of History at Cuyahoga Community College contributed his expertise to the latest revision by revising and updating the text in accordance with the most recent scholarship in the field Coverage of World War I has been reorganized to improve flow Includes a substantial amount of NEW coverage of cultur **Adolf Hitler and the Nazi Epoch** Paul Madden,1998-11-05 Although bibliographies do exist that concern themselves with the Nazi period in Germany and the Third Reich no one has yet attempted a complete reference source With the publication of Adolf Hitler and the Nazi Epoch there is finally a complete comprehensive reference source designed to identify all English language works that relate to the Nazis and the Third Reich Included in this bibliography are monographs biographies pamphlets and journal articles as well as more general histories of the time period

The material is subdivided by subject and organized into eighteen chapters making this large bibliography simple to use. The chapter subjects contain a broad range of data. Included are chapters on Adolf Hitler himself, the origins of national socialism, religion and the Nazis, articles about education and academics in Germany, law and government under the Third Reich, the SS and concentration camps, everyday life in Nazi Germany, foreign policy and more. The range of data collected in this one reference location is astounding and should provide a nearly inexhaustible starting point for those scholars and students interested in the history of one of the most controversial political parties and governments of the twentieth century.

World Racism and Related Inhumanities Meyer Weinberg, 1992-05-27 This is the first comprehensive worldwide bibliography of racism. It contains references on some 135 countries and extends from ancient times to the present. The first part of the work consists of references dealing with single countries. More than 10 000 citations are organized according to country from Afghanistan to Zimbabwe. The second part contains references to areas or regions or to related bibliographies. Some 2 000 non duplicated citations are provided here. While the vast majority of entries are to English language materials, a number of German, French, Spanish and other language items are included as well. The work concludes with an author index and a subject index. Due to the many ways racism manifests itself this bibliography will be of great value to scholars and students from a variety of disciplines from economics and education to sociology and history.
