spectatorship the genre's conjunctions and departures from Hollywood and the unique features of Hindi horror. It posits the Hindi horror genre as a project of for the nation in the making. Analysing films from Mahal 1948 to Bhediya 2022, this book uncovers narrative strategies, frames, unique approaches of investigation and reviews the transformation taking place within the genre. It argues that Hindi horror cinema lies at the intersection of myths, competing ideologies, dominant socio-religious thoughts, revealing three major strands of narrative constructs, each corresponding to the way the nation has been imagined at different times in post-colonial India. It establishes a theoretical framework of Hindi horror cinema and demonstrates for the first time how this genre with its subsets provides a means to contemplate the nation. This volume will be useful to students, researchers and faculty members working in mass communication, journalism, political science, film studies, political sociology, gender, women studies, Culture studies and post-colonial Indian politics. It will also be an invaluable and interesting reading for those interested in South Asian popular culture studies.

The Elder Pliny on the Human Animal, 2005-03-17
As a detailed study of the human animal described by its author as the *raison d'être* of nature, Book Seven of the elder Pliny's *Natural History* is crucial to the understanding of the work as a whole. In addition, however, it provides a valuable insight into the extraordinary complex of ideas and beliefs current in Pliny's era, many of which have resonances for other eras and cultures. The present study includes a substantial introduction examining the background to Pliny's life, thought and writing together with a modern English translation and a detailed commentary which emphasizes the importance of Book Seven as possibly the most fascinating cultural record surviving from early imperial Rome.
