mother pleads with her son not to sail on a certain steamer because she has dreamt three times in a row that the vessel will never reach its destination Modern day observers watch in awe as a ghost ship blazing from bow to stern dutifully reenacts a two hundred year old tragedy that the observers fathers and grandfathers also watched reenacted with the same sense of awe A crewman walks past a solitary figure seated in the ship s restaurant only to turn a moment later and find the restaurant empty A red glow appears in the darkness ahead of a modern warship and the faint outline of an old galleon her sails in tatters is seen approaching against the wind only to vanish a moment later before the startled eyes of observers Such strange events have been seen for centuries and continue to be reported even today by witnesses who are for the most part sober and responsible human beings In Lost at Sea folklore specialist Michael Goss and George Behe an expert on maritime disasters explore what lies behind these amazing narratives and enduring legends **The Ghost Ship Mystery** Lisa Anderson,2023-08-13 Embark on an enthralling journey through time and mystery in this captivating book series Follow the intertwined destinies of Alex Max and Lily as they unearth hidden secrets break ancient curses and forge unbreakable bonds of friendship From ghostly ships to enigmatic lighthouse keepers each chapter weaves a tale of adventure discovery and the enduring power of unity With rich storytelling vivid imagery and a touch of magic this series immerses readers in a world where legends come alive and the echoes of the past shape the present Join the trio on their quest for truth redemption and the boundless wonders that await beyond the horizon **The Ghost Ship** Richard Middleton,2018-11-16 **The Ghost Ship** John Hutcheson,2016-07-23 There she is sir away to the right said I equally flurried pointing over the lee rail in the direction where I had observed the ship only a second before John Conroy Hutcheson born in 1840 in Jersey Channel Islands was a British author of novels and short stories about life aboard ships at sea John brought this adventure novel to life originally in 1903 now brought back to print for a new generation to love and enjoy **The Mary Celeste and SS Baychimo** Charles River Charles River Editors,2016-12-17 Includes pictures Includes contemporary accounts of the ships Includes online resources and a bibliography for further reading People love mysteries which is a good thing since history is so replete with them This is especially true among seafaring people and of all the mysteries of the deep few rise to the level of the Mary Celeste In many ways it is a story more suited for an episode of The X Files than it is for any history book There is the unlucky ship that began her sailing career under a cloud of bad fortune and accident Then there is that handsome young captain a man appearing to be of the highest moral fiber who chose to travel with his wife and young daughter rather than carouse with loose women His crew was small but faithful and his First Mate was an old friend They set sail for Genoa late in 1872 but arrived instead in the history books lost suddenly to a mystery that remains unsolved to this day The first indication that anything unusual had happened came on December 5 of that year when the Mary Celeste was found by another ship the Dei Gratia sailing safely and intact but completely devoid of human beings The bed was unmade and the captain s cabin a bit untidy but otherwise there was no sign of struggle Or was there A sword turned up with spots that some

thought must be blood and there were also mysterious cuts on the ship's railing but at the same time the ship's provisions were almost entirely untouched leading some to theorize pirates attacked the ship and others to believe all of it consisted of normal wear and tear. The mystery might have been forgotten altogether shortly after but young Arthur Conan Doyle who would eventually earn fame for his Sherlock Holmes mysteries helped popularize the Mary Celeste and its mysterious fate with his fictional story *J. Habakuk Jephson's Statement*. Naturally as the story spread so did the rumors and the theories. Some believed the crew mutinied while others speculated that the boat's own owner had those on board killed. As the decades passed men turned up claiming to have new information but nothing definitive was ever confirmed. By the early decades of the 20th century the fur trade had tapered off some from its heyday in the 19th century but it still proved profitable enough for hunters to live for months at a time in remote regions of Alaska. Their only contact with the outside world consisted of the company ships that came to buy their furs and bring them supplies. One of these vessels was the steamer *Baychimo*, a Hudson's Bay Company ship that plied the treacherous waters off Alaska, Arctic Canada, and Siberia for many years supplying remote outposts of Inuit and Anglo trappers and bringing back their catch of furs. Her sailors were experts at handling Arctic waters but one year the weather proved too much for them. In October of 1931 the *Baychimo* was carrying 1 million in furs for the Hudson's Bay Company when it was trapped by early winter pack ice in the Beaufort Sea. Ice is a powerful force of nature that can crush even the strongest of ships so the captain had no choice but to order his crew of 14 men to unload all equipment essential for their survival and abandon the *Baychimo*. Nature had other ideas. On November 24, a month into their vigil, the crew had to hide inside their makeshift home as a fierce windstorm howled over the bleak icescape. However, when they could finally emerge into the daylight, they saw their ship had disappeared. The ghost ship continued to be sighted in the region for years afterwards. The *Baychimo* continued to float in the waters between Alaska and Siberia, mostly in the Beaufort Sea. The latest confirmed report was by some Native Americans in 1969, between Barrow and Icy Cape, almost four decades after it had been lost. It's remarkable that it survived storms, pack ice, and encroaching rust after all that time.

**Sherlock Holmes and the Ghost Ship Mystery** Don Hale, 2017-03-21 Ghost ship inspired Sherlock Holmes creator. When the brigantine *Mary Celeste* was first found abandoned and drifting helplessly in the Azores just off the coast of Portugal in December 1872, speculative

news of the crew being abducted or murdered by aliens huge sea monsters or pirates no doubt inspired an inquisitive young Scottish schoolboy Arthur Conan Doyle to eventually write his own fictional tale Then aged just 13 and setting his mind to a medical career it would be another 12 years before he finally put pen to paper whilst working as a surgeon on a whaling ship bound for an Arctic adventure His story about the incident entitled J Habakuk Jephson s Statement was first published anonymously in the Cornhill magazine in January 1884 and created a worldwide sensation promoting news about the bizarre abandonment Fiction however soon became interpreted as fact with newspapers and journals worldwide promoting his tale and creating an unstoppable roller coaster of intrigue about this mysterious ghost ship and what was thought to have really happened In later years it has been compared to Orson Welles when in October 1938 his dramatic reading of a 62 minute radio play in New York based on HG Wells science fiction novel The War of the Worlds suddenly created a mass panic with many thousands of listeners believing every word Although Conan Doyle changed the names of crew members and some other varied details including altering the Mary Celeste to the Marie Celeste he still retained the name of the rescue ship Dei Gratia and introduced many fairly similar facts that helped persuade a rather gullible audience If he had not written his own fictional account readers though would have been completely unaware of several other similar abandonments and ghost ships which occurred around the same period and captivated audiences all eager for more news about these extraordinary events And just a year later after publishing his story the real Mary Celeste finally ended her career in dramatic style after she was deliberately wrecked on a coral reef off Haiti by a skipper who had become embroiled in a fraudulent conspiracy So perhaps it was a fresh inquiry and a revelation of other previous dramatic events that put Conan Doyle back in the spotlight but whatever the reason his story was again accepted as genuine with even Admiralty officials forced to review their original findings The real incident would have been worthy of investigation by his notable Sherlock Holmes character a fictional detective introduced just three years later This book examines the whole incident before during and after and compares fact with fiction to analyse the brilliant workings of Conan Doyle who used many of his experiences to later develop some memorable characters
