The Gifts Of The Jews:

The Gifts of the Jews Thomas Cahill, 2010-04-28 NATIONAL BESTSELLER The author of the runaway bestseller *How the Irish Saved Civilization* takes us on another captivating persuasive as well as entertaining journey into history The New York Times recreating a time when the actions of a small band of people had repercussions that are still felt today The Gifts of the Jews reveals the critical change that made western civilization possible Within the matrix of ancient religions and philosophies life was seen as part of an endless cycle of birth and death time was like a wheel spinning ceaselessly Yet somehow the ancient Jews began to see time differently For them time had a beginning and an end it was a narrative whose triumphant conclusion would come in the future From this insight came a new conception of men and women as individuals with unique destinies a conception that would inform the Declaration of Independence and our hopeful belief in progress and the sense that tomorrow can be better than today As Thomas Cahill narrates this momentous shift he also explains the real significance of such Biblical figures as Abraham and Sarah Moses and the Pharaoh Joshua Isaiah and Jeremiah Full of compelling stories insights and humor The Gifts of the Jews is an irresistible exploration of history as fascinating and fun as *How the Irish Saved Civilization* The Gifts of the Jews, Excerpt Thomas Cahill, 2003

Women and Jewish Marriage Negotiations in Early Modern Italy Howard Tzvi Adelman, 2017-12-15 This book examines the role of women in Jewish family negotiations using the setting of Italy from the end of the Renaissance to the Baroque In ghettos at night and under the scrutiny of inquisitions Jews flourished Life and learning were enriched by Jews from the Iberian Peninsula the Ottoman Empire transalpine Europe west and east and Catholic neighbors Rabbinic discourse represented conflicting customs in family formation and dissolution especially at moments of crisis for women forced betrothal physical mental and financial abuse polygamy and abandonment In this book case studies illustrate the ambiguity drama and danger to which women were exposed as well as opportunities to make their voices heard and to extricate themselves from situations by forcing a divorce collecting or seizing assets and going to Catholic notaries to bequeath their assets outside traditional inheritance often to other women Despite intrusion by rabbis their ability for coercion was limited and their threats of punishments reflected the rhetoric of weakness rather than realistic options for implementation The focus of this text is not what the law says but rather how it enabled individual Jews especially women to speak and to act

Dominion Built of Praise Jonathan Decter, 2018-08-14 A constant feature of Jewish culture in the medieval Mediterranean was the dedication of panegyric texts in Hebrew Judeo Arabic and other languages to men of several ranks

scholars communal leaders courtiers merchants patrons and poets Although the imagery of nature and eroticism in the preludes to these poems is often studied the substance of what follows is generally neglected as it is perceived to be repetitive obsequious and less aesthetically interesting than other types of poetry from the period In *Dominion Built of Praise* Jonathan Decter demurs As is the case with visual portraits panegyrics operate according to a code of cultural norms that tell us at least as much about the society that produced them as the individuals they portray Looking at the phenomenon of panegyric in Mediterranean Jewish culture from several overlapping perspectives social historical ethical poetic political and theological he finds that they offer representations of Jewish political leadership as it varied across geographic area and evolved over time Decter focuses his analysis primarily on Jewish centers in the Islamic Mediterranean between the tenth and thirteenth centuries and also includes a chapter on Jews in the Christian Mediterranean through the fifteenth century He examines the hundreds of panegyrics that have survived some copied repeatedly in luxurious anthologies others discarded haphazardly in the Cairo Geniza According to Decter the poems extolled conventional character traits ascribed to leaders not only diachronically within the Jewish political tradition but also synchronically within Islamic and to a lesser extent Christian civilization and political culture *Dominion Built of Praise* reveals more than a superficial and functional parallel between Muslim and Jewish forms of statecraft and demonstrates how ideas of Islamic political legitimacy profoundly shaped the ways in which Jews conceptualized and portrayed their own leadership

Water Rites in Judaism Carol E. Smith MTS, 2015-05-04 The motivation for choosing this study comes from this writer's curiosity regarding the origins of water baptism and the link between water baptism and Spirit baptism in relationship to the church and Christianity From the time I began studying the Bible many years ago I have been passionate about wanting to trace how religious practices and beliefs in Judaism may align with contemporary Christian practices and beliefs The origins of Christianity are permeated in ancient Jewish religious practices and beliefs Yet many Christians lack information and therefore understanding about the Jewish legacy handed down to the church Most Christians accept that water baptism is necessary to be a part of the Christian Church They do not question who what when how or why regarding the practice of water baptism This writer intends to furnish information and argument supporting origins of water baptism This project is largely written for contemporary Christians but it is hoped that it will benefit all other serious inquirers of truth as well It is the writer's proposal to furnish background necessary to articulate a knowledgeable answer to the question What are the origins roots of water baptism Archaic modes of ceremonial water rituals will be explored to assist Christians in understanding the underpinnings of the origins of Christian religious practices and beliefs The list of works consulted though not exhaustive covers publications authored over nearly a century which permits the author to explore scholarship on the timeless subject of origins of water rites The writer's purpose for this study goes forth with the hope of spurring contemporary Bible based Christians into

exploring roots origins of water baptism The rite of water baptism Acts 2 38 did not begin on the day of Pentecost when the church was formulated as many Christians today believe Water rites or baptism was a religious practice of Judaism before Christianity *Judaism at Rome* Frederic Huidekoper,1883 **The Banner of Israel** ,1895 *Judaism at Rome* Frederic Louis Huidekoper,1876 **Issues of the American Council for Judaism** ,2000 **The Jewish Temple and the Christian Church** R.
