## **The Gita Paperback:**

*The Gita Way* Shweta Chandra, 2016 The Gita Way is an irreligious take on the tenets of the Bhagavad Gita Without delving into either mythological or God centric discourse the book attempts to understand and explain various insights from the Gita through in the author s words derived theory and application The Gita Way attempts to shed light on matters of self realisation and identifying and following the path to achieve the purpose of life Within the framework of Vedic philosophy represented by Gita this book explores How to discover the swa bhava the inherent natural strength of our real self Is my profession aligned with my swa bhava What is my purpose of life What is the real meaning of moksha the liberation How the realization of individual purpose leads us to attain supreme purpose we are born to achieve How yoga of knowledge karma and devotion is applied to realise self stay on the path of the goal and attain the real purpose Unlike other books on Bhagavad Gita The Gita Way is not a chapter wise discourse Instead it presents deduced concepts in first place supported with relevant reference from the whole Gita For example in the first chapter of this book you may get a reference of last chapter of Gita relevant to the topic of discussion Few thought provoking quotes from the book Whether we are believers or non believers one thing is evident that we exist There is no disparity in the intensity of our existence no matter who we are I exist and the significance of my existence is second to none Lack of knowledge is ignorance which creates fear All of us have one thing common in our respective goals to reach the peak in whatever profession we choose The difference is in the clarity of the goal whether it is known or yet to be known whether it is in dreams or in action Even a failure can point you in the right direction to re approach your goal but this is possible only if you accept failure with a stable mind The consciousness of self with self respect drives a larger purpose The consciousness of self with an inflated ego creates an illusion in the purpose of life Wealth is the reward of having achieved a goal it is not the goal in itself Even if we follow the path that is travelled by the person who has acquired wealth we end up following his goals rather than our own The state of indecisiveness comes when our knowledge and intellect fail to differentiate between two choices There is no limit to knowledge If we have a real quest the whole universe is too small to explore in a lifetime The yoga of knowledge is making knowledge work for us Each one of us has something unique in us All we need is to identify that The path to realising the purpose of life becomes visible only after knowing the nuances of natural strengths which give unconditional enthusiasm We like working on them with incessant power They unlock concealed energy inside us and give a positive push to travel an extra mile The foundation of devotion is the conviction in a purpose Without conviction the mind keeps evaluating options keeping devotion at a distance Devotion is the state of single mindedness and is at its best form when applied to a single goal Devotion for knowledge gives focus and devotion for karma gives perseverance Both focus and perseverance are states of mind and essential elements for any accomplishment Joy comes from small things on the path to achieving the big purpose This could be in the form of an accomplishment an idea love a relationship or even professional success Inaction is a symptom of wastage of time which is

akin to wasting life since we do not know how much time we have ABOUT THE AUTHORS Shweta Chandra 34 a post graduate in organic chemistry is a self employed consultant After working with Birla Shloka Edutech she left the promising

*The Sterling Book of BHAGAVAD GITA* O.P Ghai,2011-07-27 The Bhagwad Gita is a book of light love and life Jnana Bhakti and Karma Karma is work and work is life The Bhagwad Gita teaches us how to be how to think and how to act In this book the author Shri O P Ghai has presented the teachings of the Bhagavad Gita in an easily understandable form for the average reader who does not have the time or the facility to read the bigger volumes written on this great epic poem Self made man that he is the writer has sought from the Gita what help it offers to the modern man in a crashing world where values are discarded without compunction and success is lauded as right M P Pandit **The Gita For Children** Roopa Pai,2015-08-05 It s one of the oldest books in the world and India s biggest blockbuster bestseller But isn t it meant only for religious old people But isn t it very long and erm super difficult to read But isn t the stuff it talks about way too complex for regular folks to understand Prepare to be surprised Roopa Pai s spirited one of a kind retelling of the epic conversation between Pandava prince Arjuna and his mentor and friend Krishna busts these and other such myths about the Bhagavad Gita Lucid thought provoking and brimming with fun trivia this book will stay with you long after you have turned the last page Why haven t you read it yet Turning Toward Technology Alessandro Tomasi,2017-09-08 We live in an age when the dominant technologically utilitarian worldview is undergoing a transformation To increase our awareness of this change Turning Toward Technology introduces readers to the possibility of an alternative technological worldview by examining foundational concepts to Asian thought The early Eastern philosophical treatment of technology was not ethical but ontological exhibiting sensitivity to how human existence was defined and determined in its relation to technology and to reality as a whole Within the Eastern cultural orientation technological development was guided by a singular aesthetic sensibility to the useful the good the beautiful the true and the holy Instead of controlling the shape of future technology by systems of rational management George Teschner and Alessandro Tomasi recommend a view of technology that arises from questioning fundamental assumptions within Western culture about knowledge reality and human nature Turning Toward Technology aims to stimulate awareness of an alternative technological paradigm and thus a different mode of social action that can establish an optimistic future for global civilization *Bhagavad-gita As It Is* His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, The largest selling edition of the Gita in the Western world Bhagavad gita As It Is is more than a book It is alive with knowledge and devotion thus it has the power to change your life for the better Bhagavad gita is knowledge of five basic truths and the relationship of each truth to the other These five truths are Krishna or God the individual soul the material world action in this world and time The Gita lucidly explains the nature of consciousness the self and the universe It is the essence of India s spiritual wisdom the answers to questions posed by philosophers for centuries In translating the Gita A C Bhaktivedanta Swami Prabhupada has remained loyal to the intended meaning of Krishna s words and thus he has

unlocked all the secrets of the ancient knowledge of the Gita and placed them before us as an exciting opportunity for self improvement and spiritual fulfillment The Gita is a conversation between Krishna and His dear friend Arjuna At the last moment before entering a battle between brothers and friends the great warrior Arjuna begins to wonder Why should he fight What is the meaning of his life Where is he going after death In response Krishna brings His friend from perplexity to spiritual enlightenment and each one of us is invited to walk the same path The Anatomy of Book of Mormon Theology, Volume One Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions Each concerns a different part of the defense of the claim that theology is and ought to be particularly important for Book of Mormon studies In this first volume Spencer gathers early essays in which he gestures toward theological interpretation without knowing how to defend it essays about why theology is important to Book of Mormon scholarship and how to ensure that it does not overstep its boundaries and essays that do theological work on the Book of Mormon in relatively obvious ways or with relatively traditional topics The last category of essays divides into two subcategories essays specifically on the central theological question of Jesus Christ s atonement as the Book of Mormon understands it and essays on a variety of traditional theological topics again as the Book of Mormon understands them

**The Hindu Tradition** Ainslie T. Embree, William Theodore de Bary, 2011-03-09 This book compiled from basic Hindu writings is an exploration of the essential meaning of the Hindu tradition the way of thinking and acting that has dominated life in India for the last three thousand years Selections from religious literary and philosophic works are preceded by introductory material that summarizes historical developments and cultural movements While much attention is given to religion many selections deal with social life political relationships and the Indian attitude to human love and passion The arrangement of the material suggests the growth and development of Indian life through the centuries and makes clear that Indian culture has never been static but rather has been characterized at all times by a remarkable vitality and creativity The selections range in time from the Rig Veda composed around 1000 B C to the writings of Radhakrishnan formerly the President of India They illustrate both the continuity of the Hindu tradition and its vitality for Hinduism is probably more vibrant and alive at the present time than it has been for many centuries The ideals and values the unquestioned assumptions and the persistent doubts that are presented here from the literature of the past are the fundamental ingredients of the life of modern India **Tilak and Gokhale** Mohammad Shabbir Khan, 1992 *The Gita* Irina N Gajjar, 2007-12-11 The Bhagavad Gita is a treasure of world religious philosophical and ethical literature Part of the larger Mahabharata cycle it is the most famous part of that great Indian epic This book was Gandhi s personal bible His life exemplified its ideal of spiritual

detachment in the very midst of intense conflict and action The Gita was also a favorite text of Thoreau Emerson and T S Eliot     Nectar #18 Babaji Bob Kindler, Lex Hixon, Llewellyn Vaughn-Lee, Swami Ranganathananda, TS Rukmani, Annapurna Sarada, 2004-12-24 Oneness not of a numerical content but of a homogenous all pervasive nature is the theme of this journal s present issue And whether that Oneness be encountered individually by putting forth intense inner effort while sitting in quiet retreat or approached from the standpoint of encouraging entire cultures to realize their deeper nature or revealed by openly marking the distinctions between the diverse worlds of manifestation and That which is beyond all expression the result is the same Encouragement inspiration positivity these things are rare today what to speak of the Goal which they infer And though Oneness may be less of a goal and more of a natural abiding condition it is still the subtlest of all eternal principles the teachings of which represent the most enigmatic pieces of information one can ever hope to ponder Therefore the more that teachings on nonduality can be proliferated the more chance do struggling beings have of coming in contact with it purifying their intelligence and gaining freedom As the great Advaitan Ashtavakra states A man of pure intellect realizes the Self swiftly even by instruction casually imparted A man of impure intellect gets bewildered trying to realize the Self even after inquiring over a lifetime     **The Message Of The Gita** Aurobindo Ghose, 2009-01-01 This book contains the original Sanskrit text of the Bhagavad Gita a translation partly by Sri Aurobindo and commentary drawn entirely from Essays on the Gita Sri Aurobindo s principal work on this important scripture The editor Anilbaran Roy was an early disciple of Sri Aurobindo and prepared the commentary with the permission of Sri Aurobindo While introducing the first edition of the book in 1938 the editor wrote The Gita is a great synthesis of Aryan spiritual culture and Sri Aurobindo s luminous exposition of it sets out its inner significances in a way that brings them home to the modern mind This new edition has been brought out after a long time     *Book University Journal* ,1985     **Catalogue of Books Printed in the Bombay Presidency** ,1873     **Luzac's Oriental List and Book Review** ,1900     The Hindu Philosophy of Life, Ethics and Religion Bal Gangadhar Tilak, 1935     *The Book Buyer* ,1890     **The Coming Age** ,1899     *A Hand-book of Hindu Pantheism* Mādhava, 1899     **The Theosophic Craze** John Murdoch, 1894     The Modern Review Ramananda Chatterjee, 1957 Includes section Reviews and notices of books
