

The background of the image is a dark, textured surface featuring a repeating pattern of stylized, light-colored diamonds or gemstones. These diamonds are arranged in a grid-like fashion, with each diamond pointing upwards and downwards, creating a rhythmic, architectural feel. The diamonds are set against a background of vertical, slightly irregular bars, giving the overall pattern a sense of depth and texture.

The Glamour Factory:

The Responsible Fashion Company Francesca Romana Rinaldi, Salvo Testa, 2017-09-08 In *The Responsible Fashion Company* Rinaldi and Testa argue that the fashion industry is at a crossroads the need for a global shift to a sustainable model has never been more urgent Yet they demonstrate that we are witnessing a revolution led by conscious consumers and enlightened companies who are redefining the rules of the fashion market The question is when will the rest of the industry catch up Rinaldi and Testa raise a fundamental but often neglected issue in the fashion sustainability debate long term equilibrium can only be achieved by integrating economic goals with environmental social and ethical values *The Responsible Fashion Company* provides a clear overview of the theory challenges and opportunities of sustainability in the industry and demonstrates how fashion companies can achieve competitive advantage through sustainable innovation The authors show how leading fashion companies are challenging traditional thinking and present inspiring examples from pioneers such as Gucci Levi's Timberland and Brunello Cucinelli who create quality products without leaving a negative impact behind Refreshing and timely *The Responsible Fashion Company* is essential reading for the socially conscious consumer and anyone with a professional or personal interest in the fashion design and luxury industries

Contemporary Case Studies on Fashion Production, Marketing and Operations Pui-Sze Chow, Chun-Hung Chiu, Amy C. Y. Yip, Ailie K. Y. Tang, 2017-12-04 This book adopts a case study based research approach to examine the contemporary issues in the fashion industry It documents real world practices in fashion business from production marketing to operations Founded on an extensive review of literature these case studies discuss the challenges that are pertinent to the current business environment in this important industry provide benchmarks and generate insights to practitioners as well as suggest future directions to researchers The book serves as a nexus of the theories and the industrial practices that advances knowledge for both the academia and the private sector in fashion business
