*A Study Guide for Walter Dean Myers's "The Glory Field"* Gale, Cengage Learning, 2016-07-12 A Study Guide for Walter Dean Myers's *The Glory Field* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. **The Glory Field** Walter Dean Myers, 2001\* **Tending to the Past** Karen Michele Chandler, 2024-01-18 In many popular depictions of Black resistance to slavery stereotypes around victimization and the heroic efforts of a small number of individuals abound. These ideas ignore the powers of ordinary families and obscure the systematic working of racism. *Tending to the Past: Selfhood and Culture in Children's Narratives about Slavery and Freedom* examines Black authored historical novels and films for children that counter this distortion and depict creative means by which ordinary African Americans survived slavery and racism in early America. *Tending to the Past* argues that this important understudied historical writing freedom narratives calls on young readers to be active critical thinkers about the past and its legacies within the present. The book examines how narratives by children's book authors such as Joyce Hansen, Julius Lester, Marilyn Nelson, and Patricia McKissack and the filmmakers Charles Burnett and Zeinabu irene Davis were influenced by Black cultural imperatives such as the Black Arts Movement to foster an engaged culturally aware public. Through careful analysis of this rich body of work, *Tending to the Past* thus contributes to ongoing efforts to construct a history of Black children's literature and film attuned to its range, specificity, and depths. *Tending to the Past* provides illuminating interpretations that will help scholars and educators see the significance of the freedom narratives' reconstructions in a neoliberal era, a time of shrinking opportunities for many African Americans. It offers models for understanding the powers and continuing relevance of the Black child's creative agency and the Black cultural practices that have fostered it. **Holt Leveled Library, Second Course** Harcourt School Publishers, 2005 **Study Guide**, 2001 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States.
