Kox, 2009-09-12 This art book is a visual and written documentation of a modern day visionary and his journey into the heart of Bimini It links the Island of Bimini to the lost continent of Atlantis and contains 149 color images painted on Bimini by internationally acclaimed visionary artist Norbert H Kox His writings suggest the probable connection between the last remaining speck of Atlantis and this tiny island in the Atlantic located directly within the Bermuda Triangle The writings postulate interdimensional portals and possible time travel in agreement with quantum physics explaining subtle energies that interact with and affect our physical world The research is well documented and the paintings are stunning The artworks in this book represent eleven years of painting and research on the Island of Bimini and although they do not all correlate with Atlantis and the energy of the Universe they are a documentation of Kox's art exhibitions on the Island Soft cover 8 1/2 X 11 1/8 pages

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life, nourishment, or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.
