### **The Golden Volcano of Divine Love** Śrīdhara Deva Goswāmī,1984 **The Hare Krishna Movement**

Edwin Bryant,Maria Ekstrand,2004-06-23 Dancing and chanting with their shaven heads and saffron robes Hare Krishnas presented the most visible face of any of the eastern religions transplanted to the West during the sixties and seventies Yet few people know much about them This comprehensive study includes more than twenty contributions from members ex members and academics who have followed the Hare Krishna movement for years Since the death of its founder the movement also known as the International Society for Krishna Consciousness ISKCON has experienced debates over the roles of authority heresy and dissent which have led to the development of several splinter movements There is a growing

women's rights movement and a highly publicized child abuse scandal. Providing a privileged look at the people and issues shaping ISKCON, this volume also offers insight into the complex factors surrounding the emergence of religious traditions including early Christianity as well as a glimpse of the original seeds and the germinating stages of a religious tradition putting down roots in foreign soil. **Forms of Krishna** Steven Rosen, 2023-03-15 Scholars of religion and seekers in general will find *Forms of Krishna* Collected Essays on Vaishnava Murtis to be an informative introduction to Indic philosophy and Vaishnava history, particularly in terms of Krishna's form and the underlying theological and scriptural background for the worship of his iconic image. For those who are already so informed, many details of Krishna and his worship are unveiled for the first time at least in the English language and this is especially so for the much beloved icons explored in these pages whose full story may be hard to find even in Sanskrit and Bengali literature. Just as Krishna's form and its many variants are central to Gaudiya Vaishnava thought, the entire philosophy of Indian spirituality including yoga and meditation can be understood through these forms in both direct and indirect ways. Steven J. Rosen, well known in the field as founding editor of the *Journal of Vaishnava Studies*, brings his vast learning to bear as readers are brought into the esoteric world of Vaishnavism.
