History, Literature, and Music in Scotland, 700-1560 Russell Andrew McDonald, 2002-01-01 McDonald brings together contributions from scholars working in different disciplines but with a common interest in this history and society of Scotland between AD 700 and AD 1560

Erotics of Deconstruction Lynn Turner, 2024-11-30 Erotics of Deconstruction takes advantage of over a decade of publications from Derrida's seminars to creatively demonstrate the deep material range of deconstruction and emphasise its under recognised erotic nature It activates psychoanalysis without the long embedded philosophical trajectory that forged the human psychic life and sexuality as categorically distinct from the animal inherent to dialectics and psychoanalysis It generates new conversations with Derrida's feminist contemporaries as they encounter pressing questions in current critical thought From the larger frame of life death and the broadest auto affective relation of inside to outside to the difficult to grasp interface of conceptual and sensible Erotics of Deconstruction does not retreat to a reparative life force or erotics of the good but includes the unsettling friction of an originary relation to violence Parsed by means of case studies from literature philosophy and visual culture erotics in this volume lap at every edge

Baroque Music Peter Walls, 2017-07-05 Research in the 20th and 21st centuries into historical performance practice has changed not just the way performers approach music of the 17th and 18th centuries but eventually the way audiences listen to it This volume beginning with a 1915 Saint Sa lecture on the performance of old music sets out to capture musicological discussion that has actually changed the way Baroque music can sound The articles deal with historical instruments pitch tuning temperament the nexus between technique and style vibrato the performance implications of musical scores and some of the vexed questions relating to rhythmic alteration It closes with a section on the musicological challenges to the ideology of the early music movement mounted principally in the 1990s Leading writers on historical performance practice are represented Recognizing that significant developments in historically inspired performance have been led by instrument makers and performers the volume also contains representative essays by key practitioners
