**Little Women** Louisa May Alcott, 2020-01-21 The iconic novel of American girlhood and basis for the film adaptation by acclaimed writer/director Greta Gerwig. Beautiful and proper Meg, headstrong Jo, gentle Beth, pampered little Amy. Generations of young women have recognized themselves in one or more of the devoted March sisters. Set against the backdrop of the Civil War and the changing seasons of New England, the story of their passage from adolescence to adulthood from a Christmas without presents to a glorious fall day in a bountiful apple orchard from castles in the air to real life hearths and homes is just as touching and illuminating today as it was a century and a half ago. Based on author Louisa May Alcott's own childhood and early career as a writer, *Little Women* is her masterpiece and one of the most popular novels of all time. This enhanced ebook features a bonus audio excerpt of Chapter Two, "A Merry Christmas".

**Little Women (includes Good Wives) + Little Men + Jo's Boys (3 Unabridged Classics with over 200 original illustrations)** Louisa May Alcott, 2023-12-19 In this celebrated collection, Louisa May Alcott presents an enduring exploration of family dynamics, personal growth, and gender roles through the lives of the March sisters. *Little Women* eloquently captures the trials and triumphs of Meg, Jo, Beth, and Amy as they navigate the turbulent waters of adolescence, societal expectations, and familial loyalty. The narrative intricately weaves realism with idealism, employing a rich, descriptive prose that conveys the sisters' emotional landscapes. The subsequent volumes, *Little Men* and *Jo's Boys*, further broaden the scope, delving into themes of education, creativity, and the transition to adulthood, all while maintaining Alcott's characteristic warmth and humor, enhanced by over 200 original illustrations that bring the text to life. Louisa May Alcott, an outspoken advocate for women's rights and a keen observer of her contemporary society, drew upon her own experiences growing up in a transcendently influenced household. Born into a literary family, Alcott's childhood was marked by poverty and resilience factors that greatly influenced her characters' struggles. Her progressive views on femininity and independence are vividly illustrated in her works, offering both a critique and celebration of 19th century American life. This anthology is a must-read for anyone interested in classic literature and feminist themes, inviting readers to reflect on their own lives while experiencing the richness of Alcott's narrative world.
