Super Sitters Babysitter Training Pro:

Babysitter Miriam Forman-Brunell, 2009-07-26 On Friday nights many parents want to have a little fun together without the kids But getting a sitter especially a dependable one rarely seems trouble free Will the kids be safe with that girl It s a question that discomfited parents have been asking ever since the emergence of the modern American teenage girl nearly a century ago In *Babysitter* Miriam Forman Brunell brings critical attention to the ubiquitous yet long overlooked babysitter in the popular imagination and American history Informed by her research on the history of teenage girls culture Forman Brunell analyzes the babysitter who has embodied adults fundamental apprehensions about girls pursuit of autonomy and empowerment In fact the grievances go both ways as girls have been distressed by unsatisfactory working conditions In her quest to gain a fuller picture of this largely unexamined cultural phenomenon Forman Brunell analyzes a wealth of diverse sources such as *The Baby sitter s Club* book series horror movies like *The Hand That Rocks the Cradle* urban legends magazines newspapers television shows pornography and more Forman Brunell shows that beyond the mundane understandable apprehensions stirred by hiring a caretaker to mind the children in one s own home babysitters became lightning rods for society s larger fears about gender and generational change In the end experts efforts to tame teenage girls with training courses handbooks and other texts failed to prevent generations from turning their backs on babysitting

Be a Super Sitter Lee Salk, Jay Litvin, 1998 Gives advice to young babysitters on getting jobs keeping a business going and safe handling of babies and children **How to be a Super Sitter** Jay Litvin, Lee Salk, 1990 Gives advice to young
