Talking God:

Talking God Gary Gutting, 2016-11-22 Through interviews with twelve distinguished philosophers including atheists agnostics and believers Talking God works toward a philosophical understanding and evaluation of religion Along the way Gary Gutting and his interviewees challenge many common assumptions about religious beliefs As tensions simmer and often explode between the secular and the religious forces in modern life the big questions about human belief press ever more urgently Where does belief or its lack originate How can we understand and appreciate religious traditions different from our own Featuring conversations with twelve skeptics atheists agnostics and believers including Alvin Plantinga Philip Kitcher Michael Ruse and John Caputo Talking God offers new perspectives on religion including the challenge to believers from evolution cutting edge physics and cosmology arguments both for and against atheism and meditations on the value of secular humanism and faith in the modern world Experts offer insights on Islam Buddhism and Hinduism as well as Judaism and Christianity Topical and illuminating Talking God gives readers a deeper understanding of faith today and how philosophers understand it From Talking God Some say Buddhism is not a religion because Buddhists don't believe in a supreme being This simply ignores the fact that many religions are not theistic in this sense Chess is a game despite the fact that it is not played with a ball after all Jay Garfield from chapter 10 Buddhism Religion Without Divinity Why think that the creator was all knowing and omnipotent Maybe the creator was a student god and only got a B minus on this project Louise Antony from chapter 2 A Case for Atheism There are a large number maybe a couple of dozen of pretty good theistic arguments None is conclusive but each or at any rate the whole bunch taken together is about as strong as philosophical arguments ordinarily get Alvin Plantinga from chapter 1 A Case for Theism If you cease to believe in a particular religious creed like Calvinism or Catholicism you have changed your mind and adopted a new position But if you lose faith everything is lost You have lost your faith in life lost hope in the future lost heart and you cannot go on John Caputo from chapter 3 Religion and Deconstruction **Talking God** Jacci Bulman, 2021-06-18 Listening is a valuable and often neglected tool for spiritual learning Talking God invites you to reflect on the personal beliefs many of us hold towards God through listening in on a series of eleven inspiring interviews with people of Christian or Jesus connected faith Each of these dedicated spiritual pilgrims give responses to fourteen searching questions about God Jesus Christ and Christianity which offer a wide range of perspectives on issues of faith and spiritual truth Finding unity in diversity can be difficult It is only by earnestly trying to hear each other that we can learn to celebrate our differences while also looking for threads in the worship of God's love that bind us together *Talking God* Tony Hillerman, 1994-05-13 Paths of Life Thomas E.
