## **Taming Maggie:**

Maggie's Way Lee McKenzie, 2013 The minute Nick Durrance steps onto the porch of the once grand now run down Meadowcroft home he knows something is different The woman at the door is not his ancient former teacher but her young beautiful grand niece Maggie is new to Collingwood Station and has inherited the house which she intends to turn into a natural beauty spa Nick can't see the women of this posh town putting yogurt and strawberries on their faces nor can he see them accepting the eccentric Maggie But when the whole town starts gravitating toward her Nick realizes this woman is special so special that she's even changed how people see him a man who went against the wishes of his wealthy family to start his own construction business It turns out the house is not all she's working on and when he finds out what or who her real project is he's not going to like it Publisher     The Right Wife Beverly Barton, 2014-06-01 In a sweeping and vibrant novel set in the post war South New York Times bestselling author Beverly Barton follows one young woman's journey to love and independence 1885 All of Margaret Campbell's hopes for the future lie in Tuscumbia Alabama Since the death of her sharecropper father eighteen year old Maggie has no resources and few allies aside from the relatives who've agreed to take her in With luck she might yet make an upright gentleman of her brother and a real lady of her rebellious little sister And perhaps once her siblings are settled she'll find a decent hardworking man to marry But those plans are jeopardized the moment she meets Aaron Stone Effortlessly charming Aaron is building an empire in the South Maggie knows he wants the right kind of wife to overcome the shadows surrounding his birth someone like the well connected widow he's been courting Someone a million miles from a penniless outspoken sharecropper's daughter But neither jealousy family secrets nor long held prejudices will keep Maggie from following her heart     **Payback** Claire MacLeary, 2022-01-01 Claire MacLeary has with little fuss or fanfare written a crime series that subverts and rejuvenates the crime genre Scots Whay Hae When police are called to a murder scene at the home of Aberdeen socialite Annabel Imray they are under pressure to get a conviction and fast The last thing they want is the distraction of a series of baffling break ins The victims all of them women are terrorised just how did the intruder know so much about them Meanwhile local PIs Maggie Laird and Wilma Harcus are at rock bottom their bills mounting As Maggie prepares to sell her home and contemplates dissolving the agency Wilma goes off piste to get a loan But when the clock starts ticking on repayment she realises the price is too high And before long Maggie herself is in grave danger Wilma fears the worst Can she find her before it's too late     Tempted, Twisted, Tamed: Rebecca Zanetti, 2016-01-19 Tempted On the run from a mental institution and her vindictive half brother it's safe to say that Sarah Pringle's happy life as a schoolteacher is on hold Too bad that as far as self defense goes run and hide is the best she's got And with the monsters that started her escape hot on her heels that's not going to cut it for long That is unless Sarah has a bigger badder hotter monster on her side Max Petrovsky is right at the top of the list of alpha male ass kickers And he knows exactly what Sarah's up against Good thing because the minute he sees her something primal kicks in turning everyday

attraction into red hot desire As long as they re cooperating why not mix some pleasure with business Of course Max should probably tell Sarah he s a vampire himself Twisted In human form Terrent Vilks is all male animal dark ripped predatory As wolf he s unforgettably dangerous unforgettably hot Yet Maggie can t remember him Not even when she learns she once agreed to mate him Yeah that was years ago before she was kidnapped and tortured before she lost her memory Now she knows just one thing about herself she ll do whatever it takes to bring down the monsters who took her even trust her ex He s got her right where he wants her Tamed Caleb Donovan was never meant to be a prophet At heart he s a conqueror his appetites far more carnal than spiritual He s not inclined to repress his passions and surrender to fate After all that s what cost him Lily three centuries ago She married another because it was ordained Now that he s in the same benighted calling and forced into proximity with her all the old desires are roaring back to life After widowhood and centuries of celibacy Lily is eager to explore the wild side of life except now she s vulnerable to another forced relationship with an enemy But this time she s determined to choose her own path And if hot furious Caleb comes charging to the rescue it might just change both their destinies Love is about to start conquering
