## **Tangled Murders:**

**Dark and Tangled Threads of Crime** William B. Secrest, 2004 He came to California with the great Gold Rush but instead of riches Isaiah W Lees discovered his great talent for solving crimes and catching criminals He captured stage robbers in Missouri tracked con men to New York and caught the notorious eastern bank robber Jimmy Hope in the middle of a San Francisco heist San Francisco in the 1850 s was the gateway to the gold fields a city filled with adventurers outlaws con men and desperadoes of every description In 1853 Isaiah Lees was appointed the first Chief of Detectives on the new Police Force and during nearly fifty years he acquired an amazing record An innovator of police methods Lees easily eclipsed such legendary lawman as Bat Masterson and Wyatt Earp When he retired as chief in 1900 the San Francisco Chronicle stated that in point of service no one has ever equaled the record of Lees He was the right man in the right place at the right time and this is his exciting true story told here for the first time Shaman or Sherlock? Gina Macdonald, Andrew F.

Macdonald, 2001-11-30 Fictional depictions of Native American concepts of justice crime and the investigation of crime are explored in this original work Shaman or Sherlock explores depictions created by Native American authors themselves as well as those created by outsiders with mainstream agendas The most successful of these writers fuse authentic Native American culture with standard genre conventions thus providing an appealing empathetic view of little understood or underappreciated groups as well as insight into issues of cross cultural communication Dealing with such significant concepts as acculturation regional diversity and assimilation this unique study evaluates over 200 detective stories Though the crime novel began in Europe as a manifestation of Enlightenment rationality and scientific methodology the Native American detective story moves into the realm of the spiritual and intuitive often incorporating depictions of non material phenomena Shaman or Sherlock explores how geographical and tribal differences degrees of assimilation and the evolution of age old cultural patterns shape the Native American detective story
