Tango Mike Gonzalez, Marianella Yanes, 2013-07-15 Born on the unlit streets of Buenos Aires tango was inspired by the music of European immigrants who crossed the ocean to Argentina lured by the promise of a better life It found its home in the city s marginal districts where it was embraced and shaped by young men who told stories of prostitutes petty thieves and disappointed lovers through its music and movements Chronicling the stories told through tango s lyrics Mike Gonzalez and Marianella Yanes reveal in Tango how the dance went from slumming it in the brothels and cabarets of lower class Buenos Aires to the ballrooms of Paris London Berlin and beyond Tracing the evolution of tango Gonzalez and Yanes set its music key figures and the dance itself in their place and time They describe how it was not until Paris went crazy for tango just before World War I that it became acceptable for middle class Argentineans to perform the seductive dance and they explore the renewed enthusiasm with which each new generation has come to it Telling the sexy enthralling story of this stylish and dramatic

dance Tango is a book for casual fans and ballroom aficionados alike **The Temptation to Tango** Irene D. Thomas, Larry M. Sawyer, 2005 You are invited to tango the world's most sensual and intimate dance through the stories and memoirs of two American tangueros The Temptation to Tango Journeys of Intimacy and Desire will take you where no other book on tango ever has Short fictional pieces enter the world of tango through the dancer's eyes heart and skin expository pieces provide background with lively accounts of tango's history and evolution of personal experiences learning to tango and of the pleasures and challenges of adding tango to our own lives Alternating fiction and non fiction the way we have is the only way to capture the multiple voices of tango Ours is not a how to manual or an historical treatise but a tour of the erotic steam of crowded late night dance floors as well as the frightening challenges to body and heart The Temptation to Tango Journeys of Intimacy and Desire is divided into four parts The Lure The Reality The Challenge and The Reward First we explore tango's romantic allure mysterious origins and exotic dark side The first short story is about a Catholic priest whose hidden life of tango is exposed Next we focus on why tango is so hard to learn the stresses on the body and inner world of emotion We investigate the cultural issues around dominance and submission Six more short stories tell tales of couples and singles who take on the tango with very different goals and results Even after mastery of the dance challenges abound the tango scene and how to fit into it the intimacy factor and how far to take it and the impact on established relationships What one can get from persevering along the arduous tango trail is sensual and emotional fulfillment rewards frequently lacking in our society

Dancing Tango Kathy Davis, 2015-01-02 Argentinean tango is a global phenomenon Since its origin among immigrants from the slums of Buenos Aires and Montevideo it has crossed and re-crossed many borders Yet never before has tango been danced by so many people and in so many different places as today Argentinean tango is more than a specific music and style of dancing It is also a cultural imaginary which embodies intense passion hyper heterosexuality and dangerous exoticism In the wake of its latest revival tango has become both a cultural symbol of Argentinean national identity and a transnational cultural space in which a modest yet growing number of dancers from different parts of the globe meet on the dance floor Through interviews and ethnographical research in Amsterdam and Buenos Aires Kathy Davis shows why a dance from another era and another place appeals to men and women from different parts of the world and what happens to them as they become caught up in the tango salon culture She shows how they negotiate the ambivalences contradictions and hierarchies of gender sexuality and global relations of power between North and South in which Argentinean tango is and has always been embroiled Davis also explores her uneasiness about her own passion for a dance which when seen through the lens of contemporary critical feminist and postcolonial theories seems at best odd and at worst disreputable and even a bit shameful She uses the disjuncture between the incorrect pleasures and complicated politics of dancing tango as a resource for exploring the workings of passion as experience as performance and as cultural discourse She concludes that dancing tango should be viewed less as a love hate embrace with colonial overtones than a passionate encounter across many

different borders between dancers who share a desire for difference and a taste of the elsewhere Dancing Tango is a vivid intriguing account of an important global cultural phenomenon **Tangofulness** Dimitris Bronowski,2021-07-05 Het meest vertaalde tangoboek ter wereld Zo invoelend en beschrijvend Ik genoot van de vormen en beelden die in me opkwamen toen ik het las Alejandra Manti an Voor sommige mensen is tango niet veel meer dan mensen ontmoeten Geen diepere betekenis geen reis Gewoon een paar passen opnieuw gerangschikt en gebruikt Dit boek is niet voor jou als dit jouw tango is Dit boek is voor hen die zoeken naar betekenis connectie en bewustzijn in tango zoals ik het omschrijf Tangofulness Dit boek is voor hen die weten hoe het is om omarmd te worden en zich daarin geborgen te voelen Het is voor hen die enkele beste tands van mijn leven ervaren hebben en verlangen naar meer Bovenal is dit een boek voor degenen die de bron van connectie in tango willen onderzoeken niet als een intellectueel proces maar als een praktische manier om tangofulness vaker en intenser te ervaren Dimitris Bronowski zette zijn eerste tangopassen in 2009 In 2019 nam hij ontslag als CEO bij n van de grootste marketing trainingsbedrijven voor experts in Europa om zich professioneel te wijden aan zijn passie tango Hij is de uitgever van het veel verkochte boek Tango Tips by the Maestros tango blogger en organisator van tango retreats Het is zijn visie om 1 miljoen mensen te helpen betekenisvolle momenten te ervaren door middel van tango **Twelve Minutes of Love** Kapka Kassabova,2011-11-03 Kapka Kassabova first set foot in a tango studio ten years ago and from that moment she was hooked With the beat of tango driving her on and the music filling her head she s danced across the world from Auckland to Edinburgh from Berlin to Buenos Aires putting in hours of practice for fleeting moments of dance floor ecstasy suffering blisters and heart break along the way Here in sparkling spring heeled prose Kapka takes us inside the esoteric world of tango to tell the story of the dance from its Afro roots to its sequined stars and back Twelve Minutes of Love is a timeless tale of exile and longing death and desire love and belonging , **Tango and Related Dances** Tom Nelson,2009 Regarding the Tango Dance Amalgamation it includes the original Argentine Tango and its Genre which Musically featured its Bandoneon sound the American Tango Continental Tango and the International Tango among others This book is the story of Tango Tango: the Structure of the Dance Mauricio Castro,2003-07-01 **Passie voor de tango / druk 1** Paul Pellicoro,2003 Inleiding tot de basispassen en de culturele achtergrond van de Argentijnse tango TANGO Thomas Rosenboom,2007 **Gotta Tango** Alberto Paz,Valorie Hart,2008 Gotta Tango is a superior instructional package for learning how to dance the authentic Argentine tango at a social level Master teachers Alberto Paz and Valorie Hart take you on a journey through the rich culture history and music of Buenos Aires that inspired the romantic passion alluring creativity and natural elegance of the Argentine tango dance You will learn the fundamentals and roles each partner plays in this exhilarating and intimate social dance The book describes illustrates and explains the fundamental concepts and techniques while the DVD visually demonstrates real dance situations with a partner This combination provides tango lessons that are infinitely more effective than a stand alone book or video product and will have you dancing with confidence in less time than

In Strangers' Arms Beatriz Dujovne, 2011-09-07 The tango is easily the most iconic dance of the last century its images as familiar as an old friend But are they the whole story Peeling back the poster propaganda that has always characterized the tango publicly this intimate study shows the invisible heart of the dance and the culture that raised it Drawing on direct experience and conversations with dancers it reveals much about the role of the tango in Argentinean culture Instructors considering this book for use in a course may request an examination copy here **HORACIO SALGÁN**

- TANGO COURSE Horacio Salgán, 2020-06-10 Writing this Tango Course is both an obligation and a great pleasure for me It is an obligation because I would like to contribute something of all the things that I owe in return as an appreciation of having been fortunate enough to educate myself in the Orchestras where I learned to play Tango The Orchestras were a crucible where the ideas of its members and or other creative musicians experimented played and came together to create playing styles rhythmic forms etc These contributions were what took the Tango little by little to such a high musical level Nowadays it is not at all easy to belong to an Orchestra considering the fact that so few can subsist This makes it more difficult for those who want to have careers in Tango music to acquire the vast knowledge necessary for playing and interpreting it Let us not forget that the Orchestras have always been the best schools for such an apprenticeship It is also a great pleasure to be able to transmit and share that what I have learned trying always not to leave anything out that is my real intention by relying on my memory which fortunately still helps me I never intended for my conclusions to be taken as the absolute truth nor wanted to win something over anyone in anything This course just shows my position and the ideas with which I have always worked We will deal here with the Tango in versions which in my understanding are genuine manifestations of itself I love the Tango because I love good music and I got into it to learn to play it not to change it If my versions and arrangements have something different about them it is only because this is my language and I have expressed myself through it I will also talk about the incorporation of new contributions and changes as long as they are authentic within the genre The many streams of opinion may or may not coincide with what will be said in this course Considering the broadness of the theme and the flexibility which should govern artistic creation other concepts may prove constructive as well I sincerely hope that this course will be useful to someone Horacio Salg n
