Tango Briefing:

The Tango Briefing Adam Hall, 1993-06-17 Quiller's back to face the toughest mission of his career deep in the heart of the Sahara His orders from the Tango Briefing are to locate a small downed plane photograph its dead crew and identify its cargo But Quiller's assignment turns into a suicide mission Originally published in the U S by Doubleday **The Tango Briefing** Elleston Trevor, 1973 **The Tango Briefing** Adam Hall, 1973 It was just a medium twin prop transport plane and all it had done was to crash in the desert its crew picked by vultures its nightmare cargo a trap for any who goes near The nearest anyone had dared go was with a high altitude camera at sixty five thousand feet so Quiller wanted to go to it Thus begins another Quiller story in Adam Hall's terrific style **The Special Branch** LeRoy Panek, 1981 The author has chosen seventeen of the most important or representative British spy novelists to write about He presents some basic literary analysis and criticism trying both to place them in historical perspective and to describe and analyze the content and form of their fiction **Tango 1-1** Jim Thayer, 2020-04-08 An absorbing account of special forces operations by Airborne Rangers of the Long Range Patrol in the Vietnam Delta a great story Firetrench LRPs were all volunteers They were in the spine tingling brain twisting nerve wracking business of Long Range Patrolling They varied in age from 18 to 30 These men operated in precision movements like walking through a jungle quietly and being able to tell whether a man or an animal is moving through the brush without seeing the cause of movement They could sit in an ambush for hours without moving a muscle except to ease the safety off the automatic weapon in their hand at the first sign of trouble These men were good because they had to be to survive Called LRPs for short they were despised respected admired and sometimes thought to be a little short on brains by those who watched from the sidelines as a team started out on another mission to seek out the enemy They were men who can take a baby or small child in their arms and make them stop crying They shared their last smoke last ration of food last canteen of water They were kind in some ways deadly in others They were men who believed in their country freedom and fellow men They were a new kind of soldier in a new type of warfare LRPs stand out in a crowd of soldiers It's not just their tiger fatigues but the way they walk talk and stand They were proud warriors because they were members of the Long Range Patrol **Tango Briefing** Adam Hall, 1984-03-01 **The Essential Mystery Lists** Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher's Best and

Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction **Catalog of Copyright Entries. Copyright Office, 1977 **Germany and Israel** Daniel Marwecki, 2025-08-21 According to common perception the Federal Republic of Germany supported the formation of the Israeli state for moral reasons to atone for its Nazi past but did not play a significant role in the Arab Israeli conflict However the historical record does not sustain this narrative Daniel Marwecki's pathbreaking analysis deconstructs the myths surrounding the odd alliance between Israel and post war democratic Germany Thorough archival research shows how German policymakers often had disingenuous cynical or even partly antisemitic motivations seeking to whitewash their Nazi past by supporting the new Israeli state This is the true context of West Germany's crucial backing of Israel in the 1950s and 60s German economic and military support greatly contributed to Israel's early consolidation and eventual regional hegemony This initial alliance has affected Germany's role in the Israeli Palestinian conflict to the present day Marwecki reassesses German foreign policymaking and identity shaping and raises difficult questions about German responsibility after the Holocaust exploring the many ways in which the genocide of European Jews and the dispossession of the Palestinians have become tragically intertwined in the Middle East's international politics This long overdue investigation sheds new light on a major episode in the history of the modern Middle East **Modus Operandi** Robin W. Winks, 1982 Discussing the ways in which the mystery novel reveals the fabric of fears and fantasies behind American culture Winks argues that detective fiction in its high seriousness is a bit like a religion in pursuit of truths best examined at a distance **Chant** David Cross, 1986 **The Mandarin Cypher** Adam Hall, 1986 **Contemporary Authors** , 1998 1001 Midnights Bill Pronzini, Marcia Muller, 1986 1001 Midnights is the essential reference and reading book for all aficionados of mystery detective and suspense fiction It is comprised of 1001 plot summaries author biographies and critical evaluations of classic and important crime and espionage novels as well as short story collections seminal to the genre It is an indispensable volume of information and criticism The Middle East in Crime Fiction Reeva S.
