Koenigshof, Robert H. McAlister, Orville G. Lee, 1977 England's Hidden Reverse, revised and expanded edition David Keenan, 2024-01-09 An expanded edition of the classic exploration of the English esoteric musical underground with the first biography of Coil, Current 93 and Nurse With Wound. This newly expanded edition of England's Hidden Reverse, the classic exploration of the English esoteric musical underground that includes the first and only biographies of Coil, Current 93 and Nurse With Wound, is based on exclusive interviews and unprecedented access to all three bands' personal archives. Together these genre-defying bands and their circles represent the English underground in all its cultural, artistic and sexual variety. Over four decades the three intertwined groups have maintained a symbiotic yet uneasy relationship with the mainstream of popular culture, even as their music, beliefs and practices have repelled them from it. There was a clandestine scene whose work accents the many occulted peculiarities of Englishness that flow through generations of outsiders, channeling personalities as diverse as Aleister Crowley, Arthur Machen, Joe Orton, Shirley Collins, Björk and Marc Almond. The story of this Hidden Reverse has necessarily remained a secret until now. This new volume contains almost 100 pages of extra material culled from Furfur, a collection of interviews with musicians and artists whose careers intersected with the bands initially published alongside Strange Attractor's first limited edition of the book.
