Tempered In The Fire:

Tempered in the Fire Wendie Gingrich Zearfoss, 2004-11 David had everything he ever wanted He was married to the girl of his dreams and he was at the beginning of a satisfying career as a college professor Life couldn't have been better Maybe he had some emotional baggage he'd be better off without but then who didn't He could handle it He was in charge He had it under control Then without warning things changed His life took a hundred and eighty degree turn and his world began to crumble no matter how hard he tried to shore it up When he thought it couldn't get worse he found himself at the bottom of a well of physical and emotional torment longing for the peace of death yet struggling to hold onto life And through all of it the
