Tempest And Its Travels:

The Tempest and Its Travels Peter Hulme, 2000 The Tempest and its Travels offers a new map of the play by means of an innovative collection of historical critical and creative texts and images **Shakespeare Survey: Volume 55, King Lear and Its Afterlife** Peter Holland, 2002-10-24 Shakespeare Survey is a yearbook of Shakespeare studies and production Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of criticism and performance For the first time numbers 1 50 are being reissued in paperback **Travel and Translation in the Early Modern Period** , 2006-01-01 The relationship between travel and translation might seem obvious at first but to study it in earnest is to discover that it is at once intriguing and elusive Of course travelers translate in order to make sense of their new surroundings sometimes they must translate in order to put food on the table The relationship between these two human compulsions however goes much deeper than this What gets translated it seems is not merely the written or the spoken word but the very identity of the traveler These seventeen essays which treat not only such well known figures as Martin Luther Erasmus Shakespeare and Milton but also such lesser known figures as Konrad Gr nemberg Leo Africanus and Garcilaso de la Vega constitute the first survey of how this relationship manifests itself in the early modern period As such it should be of interest both to scholars who are studying theories of translation and to those who are studying hodoeporics or travel and the literature of travel The Voyages and Adventures of Ferdinand Mendez Pinto, the Portuguese /(done Into English by Henry Cogan). With an Introduction by Arminius Vambéry Fernão Mendes Pinto, 1891 **The Travels and Surprising Adventures of Baron Munchausen** , 1880 **The Voyages and Adventures of Fernand Mendez Pinto** Fernão Mendes Pinto, 1892 *The Travels and Adventures of the Turkish Admiral Sidi Ali Reïs Seydî Ali Reis*, 1899 **The Voyages and Adventures of Ferdinand Mendez Pinto, the Portuguese** Fernão Mendes Pinto, 1892 The Voyages and Adventures of Ferdinand Mendez Pinto Fernão Mendes Pinto, 1891 The travels and adventures of William Bingfield William Bingfield (fict.name.), 1753 **The Travels of Ibn Jubayr** Ibn Jubayr, 2019-11-28 Ibn Jubayr s account of his journey from his home in then Islamic Spain to the holy cities of Mecca and Medina Syria the Crusader Kingdoms and ultimately Egypt is a landmark text for the study and understanding of the Medieval Islamic World Broadhurst s translation gives voice to Ibn Jubayr s vivid impressions of the 12th century Mediterranean He recounts his experiences in Saladin s Egypt in contrast to rule of the Almohads in the Maghreb and gives a positive assessment of the conditions of Muslims in the Kingdom of Jerusalem He also takes detailed note of and interest in the great architecture of period both Muslim and non Muslim as well as his experiences with the learned Sufi teachers of the East With a new introduction by Robert Irwin this classic first hand account remains of upmost value to historians of the Medieval Mediterranean and Islamic World **The Travels and Adventures of William Bingfield, Esq** William Bingfield (pseud.), 1753 *The Travels of Dean Mahomet* Dean Mahomet, 2023-11-15 This unusual study combines two books in one the 1794 autobiographical travel narrative of an Indian Dean Mahomet recalling his years

as camp follower servant and subaltern officer in the East India Company's army 1769 to 1784 and Michael H Fisher's portrayal of Mahomet's sojourn as an insider outsider in India Ireland and England Emigrating to Britain and living there for over half a century Mahomet started what was probably the first Indian restaurant in England and then enjoyed a distinguished career as a practitioner of oriental medicine i.e. therapeutic massage and herbal steam bath in London and the seaside resort of Brighton This is a fascinating account of life in late eighteenth century India the first book written in English by an Indian framed by a mini biography of a remarkably versatile entrepreneur Travels presents an Indian's view of the British conquest of India and conveys the vital role taken by Indians in the colonial process especially as they negotiated relations with Britons both in the colonial periphery and the imperial metropole Connoisseurs of unusual travel narratives historians of England Ireland and British India as well as literary scholars of autobiography and colonial discourse will find much in this book But it also offers an engaging biography of a resourceful multidimensional individual This unusual study combines two books in one the 1794 autobiographical travel narrative of an Indian Dean Mahomet recalling his years as camp follower servant and subaltern officer in the East India Company's army 1769 to 1784 and Michael H Fisher's Tour to the Hebrides (1773) and Journey into North Wales (1774) James Boswell,1887 *The Island of Atlantis.
