She is inspired by the resiliency and courage of the children she meets and feels privileged to be trusted with their stories, the ones that they alone have the right to tell. Once upon a time, Jo believed she was going to be a marine biologist. She knows she is lucky that seasickness made her change course. She lives with her family in Colliers, West Virginia. *Tempting Torment* Jo Goodman, J Goodman, 1989-08 The conclusion of Goodman's McClellan trilogy finds Jess Winter desperate to escape to America with her life and the infant in her arms. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.
