Ellsworth Kalas, 2004-03-01 I confess that I am an unreconstructed optimist Not a naive one I ve lived too long for that long enough to have experienced a resounding case for pessimism I have vivid memories of the Great Depression and I ve lived through several wars and those international anomalies that we call police actions I ve watched what has seemed to me to be a rather steady decline in both public and private morals and a growing confusion about ethics And of course I ve watched the increasing prevalence of both evil and inanity sometimes they re synonymous in television and on the Internet from the Introduction But There is God And because there is God there is goodness I profoundly believe that God is at work in our world and that our planet has not yet been written off as a lost cause History seems to tell me that though our human race appears so often to dedicate itself to its own destruction God is always at work usually I think behind the scenes And because of God faith love and goodness keep being reborn So I write about Life from the Up Side Twelve sessions On Being Born with a Rusty Spoon For those who ve had a bad start When Life Is at January Who knows what wonders lie ahead A Woman Who Lived with Scorn For those who suffer rejection close at hand Don t Blame the Donkey Capitalize on your adversity When You ve Been Given a Bad Name Don t let others define you Color Her Moses Never give up Never Plot for a Life More than success Party Gone Flat What to do when life loses its flavor Suppose You re Worth More Than You Think You Are It s time you calculated your worth How Wide Is a Boat Gladness is nearer than you think Strange Victory The gains in our losses The View from Mount Nebo And then there is heaven
