Ten Great American Composers Carmen Bredeson,Ralph Thibodeau,2002 Unveils the unique influences of Sousa Ellington and eight other composers whose musical creations have become some of the most memorable music in history

Musical America ,1915 **The Kindest People Who Do Good Deeds: Volume 1** David Bruce,2007-04-01 The doing of good deeds is important As a free person you can choose to live your life as a good person or as a bad person To be a good person do good deeds To be a bad person do bad deeds If you do good deeds you will become good If you do bad deeds you will become bad To become the person you want to be act as if you already are that kind of person Each of us chooses what kind of person we will become To become a hero do the things a hero does To become a coward do the things a coward does The opportunity to take action to become the kind of person you want to be is yours This book collects 250 stories of good deeds from the arts from religion and from life

The American Sacred Songster, a selection of music from the best American composers, designed for Sunday School&home use. Tonic Sol-Fa edition Philip Phillips (Mus. Doc.),1871

On Rhetoric and Black Music Earl H. Brooks,2024-06-04 How Black musicians and composers used their craft to define and influence public discourse This groundbreaking work examines how Black music functions as rhetoric considering its subject not merely reflective of but central to African American public discourse Author musician and scholar Earl H Brooks argues that there would have been no Harlem Renaissance Civil Rights Movement or Black Arts Movement as we know these phenomena without Black music Through rhetorical studies archival research and musical analysis Brooks establishes the sonic lexicon of Black music defined by a distinct constellation of sonic and auditory features that bridge cultural linguistic and political spheres with music Genres of Black music such as blues and jazz are discursive fields where swinging improvisation call and response blue notes and other musical idioms serve as rhetorical tools to articulate the feelings emotions and states of mind that have shaped African American cultural and political development Examining the resounding artistry of iconic musicians such as Scott Joplin Mary Lou Williams Duke Ellington John Coltrane and Mahalia Jackson this work offers an alternative register in which these musicians and composers are heard as public intellectuals consciously invested in crafting rhetorical projects they knew would influence the public sphere
