THE TENANT'S REVENGE

Tenants Revenge

Lapidus

Tenants Revenge:

Passion, Humiliation, Revenge Lapidus, 1955-01-01 This book reveals the phenomenon in Russian prose in which a male protagonist finds himself perpetuating a cycle of passion humiliation and revenge within his relationships with women By examining the mental and emotional state of the male protagonist who finds himself in a sexual situation Rina Lapidus explores how his passion for a woman leads the man into an encounter that causes him humiliation and ends up eliciting a powerful desire on his part to punish the woman who initially arouses his erotic feeling The male protagonist directs his fury at the woman seeking vengeance because of the shame he has suffered Lapidus shows how the man sees himself as a highly spiritual being and finds it difficult to come to terms with his sexual nature The author argues that this denial of desire leads the man to take out his frustration with himself on the woman projecting all of his faults and guilt onto her When the woman brings the male protagonist low his thirst for revenge becomes a powerful driving force in his life that eventually brings about his downfall This book will be of interest to those studying in the areas of Russian literature psychology and gender studies

God's Revenge Evelyn Mundell,2010-12-09 An ancient Koine Greek manuscript is discovered that sheds fresh light on a host of long held beliefs History professor Etienne Naude discovers that the past present and future are inextricably linked and intertwined Things are not always as they appear to be a first glance This rollercoaster ride accelerates at an alarming pace Our unlikely team of unlikely heroes uncovers ancient mysteries that are directing present realities As they peel back the layers that hide the malevolent beast that has systematically burrowed into the fabric of all society from ancient times they uncover convoluted wheels within wheels At last the hidden enemy is revealed in its true reality They discover that God's revenge is indeed an awesome thing We read the eye witness testimony of a survivor one who has witnessed this reality from the inside He describes a sickening holocaust of epic proportions that history has conveniently swallowed up and glossed over Man does not learn from the lessons of the past and is viciously inhumane towards his fellow man Our team members also see that God's love and grace to those who obey Him are infinite The helter skelter ride builds up inexorable velocity until it comes to a crashing climax which has included the international security forces as well as the CIA and the KGB Life can never be the same again

Revenge Killing Leigh Russell,2024-03-28 THE NEW NOVEL FROM ONE OF THE UK'S FAVOURITE CRIME WRITERS WITH OVER 1.5 MILLION COPIES SOLD Readers can't get enough of Geraldine Steel Cannot recommend this series enough A cracking series The Geraldine Steel series just gets better and better A man is found dead lying at the bottom of the stairs to his flat his body blocking the door of the elderly woman who lives downstairs The worried landlord who finds the body seeks advice from his friend's wife now Detective Inspector Ariadne Moralis Something in his demeanour hints at a hidden secret When it becomes apparent that the body has been moved it is clear the man's death was not an accident With only an elderly witness who seems hesitant to disclose all she heard unless the price is right and a key suspect on the run having fled the scene Ariadne finds herself grasping at straws DNA evidence supports the witness's claims that

the victim had two girlfriends Carly is unwilling to cooperate Lauren is missing The motive remains unclear and the case becomes a confounding maze of unanswered questions pushing Ariadne to her limits Meanwhile Geraldine Steel adjusting to the routine of new motherhood longs for the thrill of being at the centre of an investigation As the body count grows and every lead seems to turn out to be a dead end the case quickly throws up more questions than answers and Ariadne is rapidly out of her depth Can her friend Geraldine Steel help her uncover the truth *Distant Revenge* Edward G. Briscoe, Delores R. Johnson, Agatha D. Briscoe, 2000-04 Who's killing the doctors That's what the reader will be asking as he or she reads *Distant Revenge* Why would anyone want to kill four doctors in the prime of their careers They were all respected members of their communities and had successful practices in differing cities In many ways they are ordinary people But was there something unusual about them This is the kind of question we like to ponder as we read of other's misfortunes We all love mysteries and solving them *Distant Revenge* is a murder mystery Its characters are the four doctors the detectives in four cities who try to solve the crime and two possible suspects Two fathers blame the loss of a child on the doctors One is insane and the other is a madman Though separated by time and place they find themselves on the same path to revenge for a perceived wrong
