*Understanding Jill McCorkle* Barbara Bennett, 2000 *Understanding Jill McCorkle* introduces readers to the novels and short story collections of Jill McCorkle's growing canon. Since 1984 McCorkle has written five novels and two books of short stories entering the publishing world as one reviewer noted with the literary equivalent of a rebel yell. Filling the gap of critical study on McCorkle, Barbara Bennett analyzes the widely read and admired output of this prolific southern woman writer. Bennett identifies and discusses the diverse characters, thematic concerns, and keen sense of language that distinguish McCorkle's work.

**A Southern Weave of Women** Linda Tate, 1996 *A Southern Weave of Women* is one of the first sustained treatments of the generation of women writers who came of age in the post-World War II South as well as one of the first to situate southern literature fully within a multicultural context.

*Doughboys on the Great War* Edward A. Gutiérrez, 2017-01-20 It is impossible to reproduce the state of mind of the men who waged war in 1917 and 1918. Edward Coffman wrote in *The War to End All Wars*. In *Doughboys on the Great War*, the voices of thousands of servicemen say otherwise. The majority of soldiers from the American Expeditionary Forces returned from Europe in 1919. Where many were simply asked for basic data, veterans from four states—Utah, Minnesota, Connecticut, and Virginia—were given questionnaires soliciting additional information and remarks. Drawing on these questionnaires completed while memories were still fresh, this book presents a chorus of soldiers' voices speaking directly of the expectations, motivations, and experiences as infantrymen on the Western Front in World War I. What was it like to kill or maim German soldiers? To see friends killed or maimed by the enemy? To return home after experiencing such violence? Again and again, soldiers wrestle with questions like these, putting into words what only they can tell. They also reflect on why they volunteered, why they fought, what their training was, and how ill-prepared they were for what they found overseas. They describe how they interacted with the civilian populations in England and France, how they saw the rewards and frustrations of occupation duty when they desperately wanted to go home, and perhaps most significantly, what it all added up to in the end. Together, their responses create a vivid and nuanced group portrait of the soldiers who fought with the American Expeditionary Forces on the

battlefields of Aisne Marne Argonne Forest Belleau Wood Chateau Thierry the Marne Metz Meuse Argonne St Mihiel Sedan and Verdun during the First World War The picture that emerges is often at odds with the popular notion of the disillusioned doughboy Though hardened and harrowed by combat the veteran heard here is for the most part proud of his service service undertaken for duty honor and country In short a hundred years later the doughboy once more speaks in his own true voice
