**On the Road and Finding My Way** Roger Rivest, 2005-10-16 This story takes us along for a ride as the author struggles with the changes in his life. We become passengers riding beside him as he embarks on a solitary trip of self discovery. Going from the east coast to the west his travels take him from Key West and Las Vegas to Santa Monica Lake Tahoe Moab Vail Santa Fe and Canada. He is searching for the person he used to be out on the open road and shares both his search and his findings with the reader.

**Finding Your Way To Heaven Without a Smartphone** Joe Obidiegwu, 2015-08-11 In efforts to understand the human being our history and our future the story takes the reader through three different continents gleaning cultural well being and malaise of different races. The book highlights the common bond between all human races while exploring reasons for the perceived outer differences our modern world hurtles forward driven as it is by powerful technological engines of change characterized by an obsessive and often idolatrous worship of intelligence. Ruminative men and women all around the world ponder in the silence of their soul the fate of humanity. In the West depression suicide incomprehensible mass shootings and myriad psychological disorders litter our cultural landscape while abject poverty ravage developing nations. We have become highly intelligent beings that cannot solve our problems yet we inhabit a natural world created out of wisdom and much of that wisdom is not reflected in our thoughts and lifestyle. Modern man's obsession with intelligence and the material world has left him a stranger to spiritual things and wisdom. Consequently humanity is left vulnerable to inexplicable and undiagnosed suffering in an attempt to diagnose what ails modern man this book presents a convincing and thought provoking argument that we have forgotten who we are and in so doing have built a world terribly out of order with our divine nature. By walking the reader through my Nigerian upbringing and subsequent arrival in the West I reveal some timeless wisdom that I believe can serve as a cure for some of the things that trouble us today. This inimitable book lights a path directing us again to who we truly are. It is a timely and deft clarion call to all of us. Finding Your Way to Heaven Without a Smartphone is a mixture of autobiography cultural inquiry and philosophy. Joseph

Obidiegwu an Igbo from Nigeria has lived on three continents He has the necessary perspective and wisdom to look at the world s masquerade from different angles There is no romanticization of traditional African village life nor is there blind acceptance of the hectic to and fro of modern life on planet Smartphone Don Burness Ph D Professor of Literature at Franklin Pierce College Author of Echoes of the Sunbird and Wanasema Keywords Inimitable Interesting Insightful Autobiographical Philosophical Spiritual Cultural Thought Provoking Inspiring Life Changing **That's the Way It Was** Vida Goldman

could win the games or were just about to throw a touchdown pass only to realize you had fumbled and lost the ball or fouled out of the game and shockingly the game was already over If Relationships Were Like Sports Men Would Know the Score is an inspiring fun and easy to read book for both men and women using interactive games and offering spent terminologies as insightful metaphors for discovering how to play by the same rules use the same equipment and keep score by one another to empower the romance and intimacy of the relationship Anyone who has been on a romantic relationship knows how difficult it can be to sustain the initial passion and excitement as the relationship matures In one sense it seems it should be so easy to have the relationship of our dreams where we are being fully expressed emotionally physically and spiritually yet at times it feels like we are not even on the same playing fields In relationships winning occurs when you and your partner are elevated to a higher level of respect and intimate communication and playfulness If you are winning at your partner's expense the relationship is losing In this unique entertaining book discover how to avoid fumbles errors and penalties and learn how to work through slumps developing deeper spiritually committed relationships Partners learn how to have fun being on the same team and find that scoring a high percentage of foul shots is essential for long lasting passionate relationships    The Instrumentalist ,2002    Tennis My Way Budge Patty,1957
