Tennyson's Maud Ralph Wilson Rader,1978 *Tennyson's Maud* Ralph W. Rader,2024-03-29 This book was born out of the curiosity aroused in me by Tennyson's Maud and Locksley Hall ostensibly dramatic poems which were strangely flawed I always felt by some hidden emotional connection with the poet's own life What was it The final result of my inquiry is this book From the Preface by the Author This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1963 **Tennyson's Maud** James Norman O'Neill,1975

Poets ,1998 **Tennyson** B. C. Southam,1971 During the present century Tennyson's poetic reputation has passed through a whole revolution of criticism and taste When a general reaction against Victorianism set in it was Tennyson's very domination of his age and his power to express its values which caused a revulsion against his poetry and his style More recently there has been a revival of critical and scholarly interest in his work and an appreciation of qualities in it besides those which most appealed to his contemporaries Mr Southam's essay discusses this critical revaluation relates the poems to Tennyson's long career and pays particular attention to his development of the dramatic narrative or monologue This essay replaces Number 83 by F L Lucas The author formerly a Lecturer in English at the University of London is Editorial Director of Routledge and Kegan Paul Ltd he has written books and articles on Shakespeare Milton Gibbon Keats Jane Austen and T S Eliot *The New Cambridge Bibliography of English Literature: Volume 3, 1800-1900* George Watson,1969 More than fifty specialists have contributed to this new edition of volume 3 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to reshape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Tennyson Research Bulletin** ,2007 *Alfred Tennyson's The Lover's Tale* John Otter Briney,1972 *Books for College Libraries* Melvin John Voigt,Joseph H. Tennyson,Christine Fall,1967 *Victorian Pastoral* Owen Schur,1989 Victorian pastoral explores the pastoral poetry of Alfred Tennyson and Thomas Hardy as a way of understanding each poet's relation to the literary past This exploration of Tennyson's and Hardy's response to and reshaping of a specific genre aims to shed light on each poet's relation to modernist poetics Owen Schur also presents an overview of the pastoral tradition suggesting the importance of rhetoric and the play of language to a full understanding of the genre **Scholarly Books in America** ,1963
