Bribed with Our Own Money

David Beck, 2024-05 In *Bribed with Our Own Money* David R M Beck analyzes the successes and failures of Indigenous nations opposition to federal policy in the 1950s and 1960s Focusing on case studies from six Native nations Beck recounts how the U S government coerced American Indian nations to accept termination of their political relationship with the United States by threatening to withhold money that belonged to the tribes Termination was the continuation and federal officials hoped the culmination of more than a century of policy initiatives intended to end the political relationship between Indian tribal nations and the federal government Termination was also intended to assimilate American Indian individuals into the country s social and economic culture and to remove the remainder of reservation lands from federal trust American Indians hoped to gain greater opportunities of self governance and self determination but they wanted to do so under the protection of the federal trust relationship *Bribed with Our Own Money* analyzes both successful and unsuccessful efforts of Native nations to oppose this policy within the larger context of long standing federal abuse of tribal funds It is the first book to view federal termination efforts grounded in bribery for what they were a form of coercion
