## **The German Officer:**

The German Secret Field Police in Greece, 1941-1944 Antonio J. Muñoz, 2018-03-08 The Geheime Feldpolizei Secret Field Police was the political police force of the German Army during World War II Its members were drawn from both the regular German police including detectives and various Nazi security organizations The goals of the GFP were numerous and included protecting important political and military leaders investigating black market activities as well as acts of sabotage and espionage locating deserters examining anti German activists and hunting down partisans While performing these duties GFP members immersed themselves in criminal activities This book focuses on the function of the GFP in Greece compared to that of the GFP elsewhere in Europe

Holocaust Perpetrators of the German Police Battalions Ian Rich, 2018-05-03

Holocaust Perpetrators of the German Police Battalions is the first comprehensive English language study of the structures and actions of German Police battalions in Poland and Ukraine between 1940 and 1942 Using these case studies Ian Rich draws attention to the actions and motivations of individual lower ranking policemen who participated in the mass murder of Jews during the Holocaust He illuminates their pivotal roles as organizers educators and role models and the ways they were able to influence their subordinates to carry out these atrocities This book transcends anonymous group portraits and provides a micro historical portrait of individual killers that offers broader insights into the overall actions of the SS and police under Heinrich Himmler Rich s comprehensive analysis of SS and police personnel records and post war trial investigations reveals the method by which police battalions were transformed into instruments of mass murder in the occupied east during the Second World War This book is essential to all students and scholars of Holocaust studies Jewish studies and the Second World War
