[The Ghosts about Us](#) Clara Burke,1970    [American Mythology](#) Don Nardo,2012-12-28 This volume explores some of the popular myths of the modern United States and discusses their role in the culture and the values they reflect Readers are introduced to American frontier heroes both real and imaginary such as Davy Crockett and Paul Bunyon The book covers details about legendary ghost ships haunted houses pirate treasure monsters and lost cities and relates these stories to the experiences and values of American culture

**THE GHOST WHISPERER** Parthajit Misra,2025-11-28 THE GHOST WHISPERER Where the past lingers and redemption waits in silence In the mist shrouded hills of Mussoorie lay the curious village of Abhootpuram a place that pretends to be a township but feels like a secret tucked away from the world It's here that Arjun a sensitive and withdrawn teenager wrestles with the shadows of his own mind a bit of grief and the invisible weight of growing up alone Haunted not just by memories but by things far more real Arjun's journey into adulthood becomes entangled with the spirit world that hums just beneath the surface of Abhootpuram Among the lingering souls is Franklin Roosevelt D Souza a bitter angry man in life and now a ghost unable to find peace in death Hated and feared by the villagers Franklin died as he lived alone furious and full of unresolved pain But in death his loneliness only grew deeper When Arjun and Franklin's worlds collide the line between the living and the dead begins to blur What starts as a haunting turn into an unlikely companionship one forged through shared sorrow fractured dreams and the desperate search for meaning Together they must face their pasts and the choices that bind them in a place where forgiveness is the only way forward and redemption might just be found in the unlikeliest of friendships THE GHOST WHISPERER is a poignant yet quirky coming of age tale wrapped in a tongue in cheek humour a story of love loss and the healing that can happen when two restless souls one living and one dead decide it's not too late to change their fate

**The Routledge Handbook to the Ghost Story** Scott Brewster,Luke Thurston,2017-11-14 The Handbook to the Ghost Story sets out to survey and significantly extend a new field of criticism which has been taking shape over recent years centring on the ghost story and bringing together a vast range of interpretive methods and theoretical perspectives

The main task of the volume is to properly situate the genre within historical and contemporary literary cultures across the globe and to explore its significance within wider literary contexts as well as those of the supernatural The Handbook offers the most significant contribution to this new critical field to date assembling some of its leading scholars to examine the key contexts and issues required for understanding the emergence and development of the ghost story

[Literary Fantasy in Contemporary Chinese Diasporic Women's Literature](#) Fang Tang,2019-12-03 This book explores the use of literary fantasy in the construction of identity and home in contemporary diasporic Chinese women's literature It argues that the use of fantasy acts as a way of undermining the power of patriarchy and unsettling fixed notions of home The idea of home explored in this book relates to complicated struggles to gain a sense of belonging as experienced by marginalized subjects in constructing their diasporic identities

which can best be understood as unstable shifting and shaped by historical conditions and power relations Fantasy is seen to operate in the corpus of this book as a literary mode as defined by Rosemary Jackson Literary fantasy offers a way to rework ancient myths fairy tales ghost stories and legends it also subverts conventional narratives and challenges the power of patriarchy and other dominant ideologies Through a critical reading of four diasporic Chinese women authors namely Maxine Hong Kingston Adeline Yen Mah Ying Chen and Larissa Lai this book aims to offer critical insights into how their works re imagine a home through literary fantasy which leads beyond nationalist and Orientalist stereotypes and how essentialist conceptions of diasporic culture are challenged by global geopolitics and cultural interactions
