and welcome supplement to more traditional formal and national readings of the period      *The Glorious Mystery* Arthur Machen,1924 A collection of essays reviews etc contributed to London journals Most are centered around religion and Christianity specifically the Holy Grail mythos though others deal with literary criticism Also included is The Iron Maid a fictional short story previously published in the author s The Three Imposters yet retracted from subsequent printings of Foreword      *A Magnificent Obsession* William Ragsdale Cannon,1999 The autobiography of the United Methodist bishop
