## **The God Connection:**

**The God Connection** Bethany Hicks, 2021-07 God's desire from the creation of the earth is to have regular and intimate connection with those He loves you and me. The foundation for any true relationship is communication. God never intended for us to live a life without full access to His voice, but we often dismiss the voice of God because we think that we are making it up or we live unaware of the many ways that God speaks. The truth is every human being has been hardwired in their spirit, soul, and body to regularly and consistently connect with God. In this powerful book, pastor, trainer, and author Bethany Hicks will equip you to discover the primary ways you were created to connect with God. Expand your ability to recognize the various ways God speaks to you. Enlarge your confidence to discern His voice and respond appropriately. God wants you to become confident as His son or daughter to know His voice. Get ready to live in the full assurance that you can recognize and respond to the voice of God and live with the full benefits of your God Connection. **The God Connection** Basil

Gala, 2024-11-19 After all, why should not some humans be like angels? If our spirit has the same origin and the same destination, we're but pilgrims on the Earth. Documented throughout various times, cultures, religions, and geographical locations are stories of spiritual events that transcend the human experience beyond the limits of the physical body. Many have sought answers for how it may be possible that a human is comprised of both immaterial consciousness and physical matter. After all, physical evidence suggests a distinct connection between life and the functionality of the body. However, first-hand experiences passed down through global oral traditions and among present humans suggest the existence of the spiritual realm. **The God Connection** is a philosophical treatment of both the savory and unsavory aspects of religion and the belief in a higher power. Written in simple and direct English, it embodies scientific insights as well as inspirational passages while also considering the negative implications of corrupt religious practices in tandem with the benefits of sound mystical explorations. Join Dr. Basil Gala in this personal adventure into spiritual thought and meditation, complemented with scholarly research of the histories and achievements of great religious movements worldwide. **THE GOD CONNECTION** Carolyn R.

Scheidies, 2014-09-20 Through verse, quotes, and scripture, this book reveals God in a new real way. Not religion or tradition, this easy-to-digest volume helps you find a true God connection to help you through both good times and tough. **The God**

**Relationship** Paul K. Moser, 2017-04-07 In this book, Paul K. Moser proposes a new approach to inquiry about God, including a new discipline of the ethics for inquiry about God. It is an ethics for human attitudes and relationships as well as actions in inquiry, and it includes human responsibility for seeking evidence that involves a moral priority for humans. Such ethics includes an ongoing test, a trial for human receptivity to goodness, including morally good relationships as a priority in human inquiry and life. Moser also defends an approach to the evidence for God that makes sense of the elusiveness and occasional absence of God in human experience. His book will be of interest to those interested in inquiry about God with special relevance to scholars and advanced students in religious studies, philosophy, theology, and biblical studies. **The God**
