The Geese of Beaver Bog Bernd Heinrich,2009-10-13 When award winning writer and biologist Bernd Heinrich became the unwitting but doting foster parent of an adorable gosling named Peep he was drawn into her world And so with a scientist s training and a nature lover s boundless enthusiasm he set out to understand the travails and triumphs of the Canada geese living in the beaver bog adjacent to his home In The Geese of Beaver Bog Heinrich takes his readers through mud icy waters and overgrown sedge hummocks to unravel the mysteries behind heated battles suspicious nest raids jealous outbursts and more With deft insight and infectious good humor he sheds light on how geese live and why they behave as they do Far from staid or predictable the lives of geese are packed with adventure and full of surprises Illustrated throughout with Heinrich s trademark sketches and featuring beautiful four color photographs The Geese of Beaver Bog is part love story part science experiment and wholly delightful
