David Fowler, 2015-08-05 First a word of warning This book is not about the BBC TV show *Mastermind* or the much revered late Magnus Magnusson This book starts with the Fowler family tree in 1541 and then moves swiftly on Rather than a true biography the book branches out into what was happening elsewhere around the time of which I write World War II The Long March sometimes called The Death March details of the first jet plane flight National Service Ouija boards meeting Elvis Presley and Freddie Trueman the Berlin Wall Germany Russia Italy The Maldives America Castle Howard La Jurade de Saint Emilion meeting HRH Prince Charles a court case meeting the Lord Chief Justice and so on The book is intended to be light hearted and humorous As well as being a memoir it also comprises part travelogue and part social history It also provides a miscellany of other happenings doings and yet more anecdotes which occurred throughout my lifetime
