The Genuine Jesus:

The Genuine Jesus Alan E. Ross, 2003 Lost for 90 years the teachings in this book were channeled to author Alan Ross through automatic writing *A Revival of Hope in the Genuine Christ* Gary R. Goetz, 2013-12-10 What in the world has gone wrong and how will it be set right America is in a moral and economic crisis Political action by itself will not reverse this moral and economic decline In times past Christian revivals occurred before a crisis in American history such as the Revolutionary and the Civil War What were the characteristics of Christian revivals in past history Can a national revival happen again or are we too close to the end times Prophetic events relate in practicality to revival in the church today because the believers hope lies in the future revelation of the genuine Christ History is repeating itself Neo democracy leading to an imperial form of the continuing Roman Empire is the rising form of government today and it will rule at the end of the age Arguments will be given for the identity of the genuine Christ The order of prophetic events will be delineated leading to the genuine new age along with the events that follow such as the rebellion of Satan and the Great White Throne Judgment *The Genuine Jesus* Alan Ross, 1999 The text claims to correct the discrepancies between what is presented in the New Testament and what Jesus actually taught in Palestine The author states that the Gospels of the Bible are the result of recollections and the later interpretations by the New Testament copyists of what they thought Jesus had said and is not the true mouthpiece of God and is at times a stumbling block to acquire a correct knowledge of the truths of God [China and the True Jesus](#) Melissa Wei-Tsing Inouye, 2018-12-03 In 1917 the Beijing silk merchant Wei Enbo's vision of Jesus sparked a religious revival characterized by healings exorcisms tongues speaking and most provocatively a call for a return to authentic Christianity that challenged the Western missionary establishment in China This revival gave rise to the True Jesus Church China's first major native denomination The church was one of the earliest Chinese expressions of the twentieth century charismatic and Pentecostal tradition which is now the dominant mode of twenty first century Chinese Christianity To understand the faith of millions of Chinese Christians today we must understand how this particular form of Chinese community took root and flourished even throughout the wrenching changes and dislocations of the past century The church's history links together key themes in modern Chinese social history such as longstanding cultural exchange between China and the West imperialism and globalization game changing advances in transport and communications technology and the relationship between religious movements and the state in the late Qing circa 1850 1911 Republican 1912 1949 and Communist 1950 present day eras Vivid storytelling highlights shifts and tensions within Chinese society on a human scale How did mounting foreign incursions and domestic crises pave the way for Wei Enbo a rural farmhand to become a wealthy merchant in the early 1900s Why did women in the 1920s and 30s such as an orphaned girl named Yang Zhendao devote themselves so wholeheartedly to a patriarchal religious system What kinds of pressures induced church leaders in a meeting in the 1950s to agree that Comrade Stalin had saved many more people than Jesus This book tells the

striking but also familiar tale of the promise and peril attending the collective pursuit of the extraordinary how individuals within the True Jesus Church in China over the past century have sought to muster divine and human resources to transform their world

The Quest for the Real Jesus Jan van der Watt, 2013-07-11 The Radboud Prestige Lectures in New Testament 2010 were presented by Prof Michael Wolter University of Bonn His prestige lecture was entitled Which is the real Jesus In this lecture he challenged many of the current views within the historical Jesus research by critically evaluating the approaches in various categories Afterwards this lecture was presented to a variety of scholars from different disciplines who approach the problem from their particular perspectives thus bringing a rich texture of insights apart from engaging critically with Wolter s views Thus one can appreciate the role the quest for the historical Jesus plays within a wider framework This resulted in interesting articles that not only deal with historical but also with philosophical and hermeneutical issues

Will the Real Jesus Please Stand Up! Robert McClelland, 2014-10-28 In a world where the God hypothesis is no longer necessary todays Church may offer skeptical Seekers a Jesus Story that no longer connects with their lives Nevertheless their honest questions are to be valued and honored by the Church because they keep us honest and make us rethink the relevancy of our faith Todays world is asking if there is any Reality to the Jesus about whom we speak and if so would he please stand up It is my contention that faith in God does not depend upon proof of his existence as much as what that Gods attitude is toward us While the Good News proposed by Christian Faith is that Gods attitude was definitively displayed in Jesus I am suggesting that our Jesus Story must take the Apostle Pauls understanding of Reconciliation seriously God too has to pay the price of Sin He is part of the problem of our alienation and neither we nor God can escape its consequences Therein lies the POWER I believe of the Jesus Story to hold the attention of todays Seeker Jesus not only died for our sins he died for Gods Sin as well Our Sin was our disobedience Gods Sin was his Ignorance It is Paul who getting his message directly from the Risen Christ sees this most clearly Paul wants us to understand that God was in Christs life and death reconciling the world to himself not just forgiving us Unlike the Jesus Story told by todays Church Paul sees Gods Grace as much more amazing than mere payment for our peccadilloes
