Margaret Laurence Writes Africa and Canada is the first book to examine how Laurence addresses decolonization and nation building in 1950s Somalia and Ghana and 1960s and 1970s English Canada Focusing on Laurence s published works as well as her unpublished letters not yet discussed by critics the book articulates how Laurence and her characters are poised between African colonies of occupation during decolonization and the settler colony of English Canada during the implementation of Canadian multiculturalism Laurence s Canadian characters are often divided subjects who are not quite members of their ancestral imperial cultures yet also not truly native to their nation Margaret Laurence Writes Africa and Canada shows how Laurence and her characters negotiate complex tensions between self and nation and argues that Laurence s African and Canadian writing demonstrates a divided Canadian subject who holds significant implications for both the individual and the country of Canada Bringing together Laurence s writing about Africa and Canada Davis offers a unique contribution to the study of Canadian literature The book is an original interpretation of Laurence s work and reveals how she displaces the simple notion that Canada is a sum total of different cultures and conceives Canada as a mosaic that is in flux and constituted through continually changing social relations      **The Canadian Magazine** ,1898      **New Peterson Magazine** Ann Sophia Stephens, Charles Jacobs Peterson, 1860      **The Canadian Magazine of Politics, Science, Art and Literature** ,1898      **Hagar's Daughter** Pauline Elizabeth Hopkins, 2020-12-15 Hagar s Daughter is Pauline Elizabeth Hopkins s first serial novel published in the Boston based Colored American Magazine 1901-02 The novel features concealed and mistaken identities dramatic revelations and extraordinary plot twists including a high profile murder trial an abduction plot and a steady succession of surprises as the young black maid Venus Johnson assumes male clothing to solve a series of mysteries Because Hagar s Daughter demonstrates Hopkins s keen sense of history use of multiple literary genres emphasis on gender roles and political engagement it provides the perfect introduction to the author and her era In the appendices to this Broadview Edition advertising other writing by Hopkins and her contemporaries and reviews situate the work within the popular literature and political culture of its time      *Statement of the Commissioners of the Consolidated Debt of New Orleans* New Orleans (La.).
