**The Gift** Trevor M. Chase,2011-10 What is it about The GIFT that makes it worth having and keeping handy for repeated reference What is it about this book that causes people to refuse to lend it out for fear that they might not get it back And what is it that inspires people to treat it like an heirloom not wanting their children to grow up without knowledge of its contents It has to be about what the book offers between its covers Very true so let s take a brief look at what s in store for those who are interested in making a sound investment towards something which many individuals out of Christ might consider to be a fantasy but would like to have their copy anyway and hold on to it because they too can benefit tremendously from it The Gift is based on a practical concept that ultimately becomes a cherished relationship lifestyle a concept that is so pregnant with marriage preservation content that those who become impregnated with this concept will make marriage attractive even to many of those who are turned off by it At the core of this concept is its ultimate destination the motivation that gives it life and sustained consistency In its Ultimate Destination the title of the book becomes relevant and becomes the life blood of the mutual commitment to adhere to the Gold Standard of caring for each other Then there is GIFT care Two hundred and seventy four recommendations for caring for your marriage or the one that you will some day have In this
