The Church of Jesus Christ is a body that needs to be attended to like a natural body would be needing attention There is no other way for a body to grow other than the specified natural process of love washing and cleansing nourishing and cherishing These and more are the specifications the Lord has given towards the glorification of His Church We must be reminded that from all prophecies He is coming to consummate with His betrothed and His bride must be made ready EPHESIANS 5 29 For no one ever hated his own flesh but nourishes and cherishes it just as the Lord does the church The lord does His Church We must do the same as a servant of God I have desired nothing but to love bless sanctify cleanse wash nourish and to cherish His body just as He does if He were here In building His Glorious Church the Lord gave me the mysteries outlined in this book and I can unequivocally confirm their validity The Lord as the chief cornerstone established the Church upon the foundation of the Apostles and Prophets Ephesians 2 20 The process of love blessing sanctification and cleansing actually begins the making of the Glorious Church therefore we will observe that for the perfecting of His body He had made all the necessary provision for it to be done Also there is no machine that helps an infant grow into adulthood The growth process is automatic beginning at conception Parents simply need to provide the right food and supernatural development will occur Nutritionists and medical personnel are aware of this if a child s growth is slow they test to determine if a problem exists If not they advise parents to provide the child with growth promoting nutrients
