## The Gobbins:

**Ingenious Ireland** Mary L. Mulvihill, 2003-12-23 Ingenious Ireland takes readers on a magnificent tour of the country's natural wonders, clever inventions and historic sites. Richly illustrated and meticulously compiled, Ingenious Ireland introduces readers to the complete history, culture and landscape of all thirty-two Irish counties. Mary Mulvihill unearths Ireland's treasures and divulges her secrets, such as the oldest fossil footprints in the Northern Hemisphere, the advent of railways, the invention of milk of magnesia and why the shamrock is a sham. Fascinating and comprehensive, Ingenious Ireland unravels the mysteries and marvels of this remarkable country. *Narrative Environments and Experience Design* Tricia Austin, 2020-04-15 This book argues narrative, people and place are inseparable and pursues the consequences of this insight through the design of narrative environments. This is a new and distinct area of practice that weaves together and extends narrative theory, spatial theory and design theory. Examples of narrative spaces such as exhibitions, brand experiences, urban design and socially engaged participatory interventions in the public realm are explored to show how space acts as a medium of communication through a synthesis of materials, structures and technologies and how particular social behaviours are reproduced or critiqued through spatial narratives. This book will be of interest to scholars in design studies, urban studies, architecture, new materialism and design practitioners in the creative industries. **Proceedings of the Natural History Society of Dublin** Natural History Society of Dublin, 18?? **The natural history review**, 1859 **Boyd's Pictorial Guide to Portrush, the Giant's Causeway, and the Antrim Coast, Belfast, &c**, 1895 **The Irish Naturalist**, 1894 Jones's 'Guide to Ireland'.
