The God Around Us:

God's Arms Around Us William R. Moule, 2020-01-09 *God's Arms Around Us* first published in 1960 is author William Moule's account of his and his family's harrowing 3 1/2 years in the Philippines during the Second World War. Moule, an American miner working in the Philippines, his wife who was expecting a baby, and their two young children found themselves caught up in the brutal conflict being waged by the occupying Japanese. Rather than go into an internment camp and believing that the war would soon be over, the Moules attempted to find refuge in the mountainous terrain of Luzon. However, the Moules were forced to be continually on the move, climbing mountains, fording streams, hiking through unfamiliar terrain at night with an ever-present threat from roving enemy patrols. Yet through it all, William Moule maintained his strong faith in God. He would keep His arms around them, and his Irish sense of humor. His wife Marge very seldom failed to smile with him. By 1943, however, severely weakened by malaria, the family could no longer stay on the run. Captured, they were taken first to Japanese garrisons, then to Camp Holmes, and later to the infamous Bilibid Prison in Manila. While imprisoned, Moule was tortured in an attempt to uncover his presumed part in guerrilla activities. Finally, the Moules and other prisoners were freed by American soldiers and made their way back to the United States. Marge and I said William Moule brought three little kids through an ordeal that most single men couldn't survive, but we had the will to survive and we had faith. Sadly, William and Marge Moule were killed in a car accident in Nevada in 1989, leaving behind their now large family of 12 children.

God is Near Us Pope Benedict XVI, 2003 According to the Second Vatican Council, We ought to try to discover a new reverence for the Eucharistic mystery. Something is happening that is greater than anything we can do. The magnitude of what is happening is not dependent on the way we perform it, but all our efforts to perform it aright can always be at the service of the great act that precedes our own and that we cannot achieve for ourselves. The liturgy is the summit toward which the activity of the Church is directed; at the same time, it is the font from which all her power flows. This profound statement about the Eucharist stands at the center of this book by Cardinal Ratzinger. In these previously unpublished texts, the Prefect of the Congregation for the Doctrine of the Faith and a scholar of international repute leads the reader into the heart of the Christian faith and its central mystery. Cardinal Ratzinger compellingly shows us the biblical, historical, and theological dimensions of the Eucharist. The Cardinal draws far-reaching conclusions focusing on the importance of one's personal devotion to and adoration of the Blessed Sacrament for the personal reception of Communion by the individual Christian, as well as for the life of the Church. For Ratzinger, the drive toward any transformation of the world on the social plane also grows out of the celebration of the Eucharist. He beautifully illustrates how the omnipotent God and Creator comes intimately close to us in the Holy Eucharist.

The Gospel as Conversation James Boyd White,2013-08-27 How are we to read the Gospels and bring them into our lives The idea of this book is that the Gospels are not merely rules for life or stories illustrating moral lessons or statements of theological doctrine but invitations to thought and conversation The Gospels are full of problems uncertainties and tensions these difficulties call upon us to engage with the Gospels in a new way to read them to ask questions about them to live with them alone and together The way we do that is by a kind of conversation with each other or within ourselves The Gospel as Conversation is meant to engage the reader in the conversation by which the Gospels maintain their life today among us It contains Gospel passages sermons given on those passages and questions for reflection It is intended both for individual readers and for groups in adult education classes
